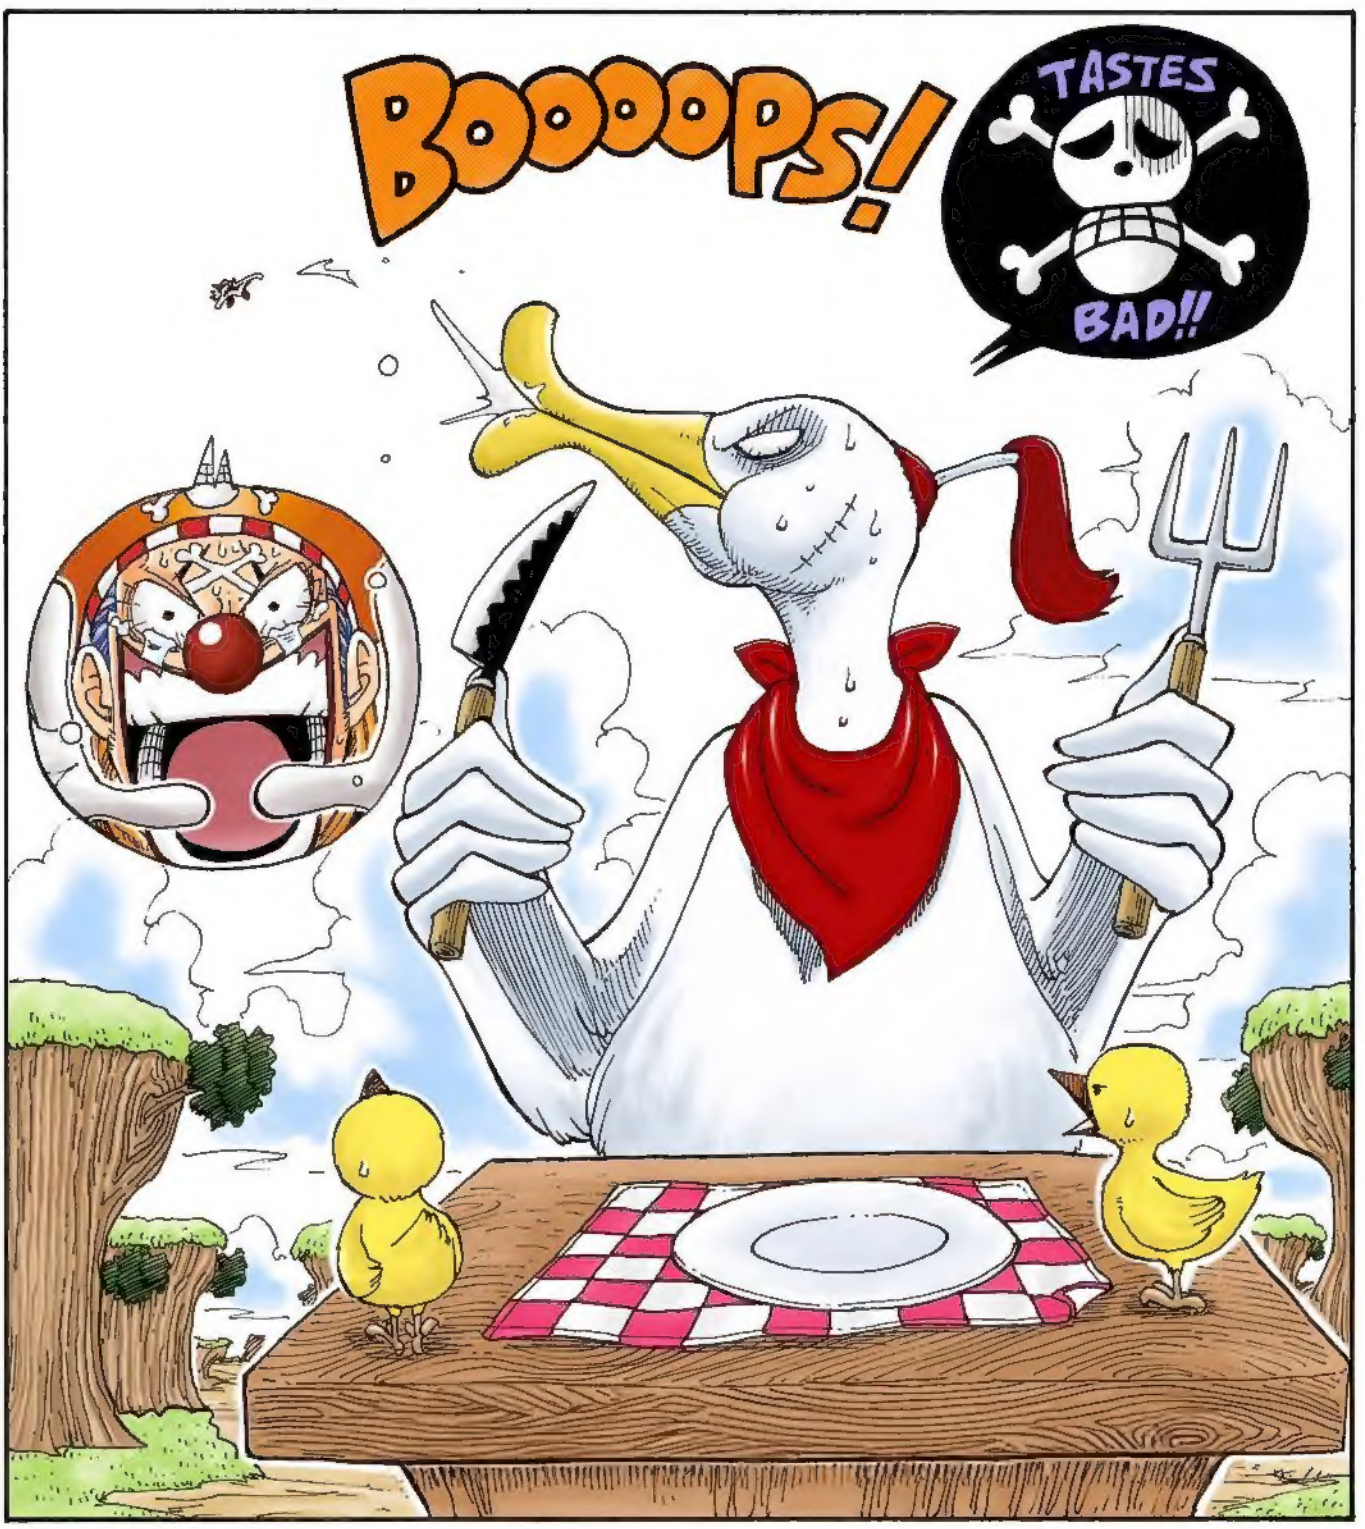
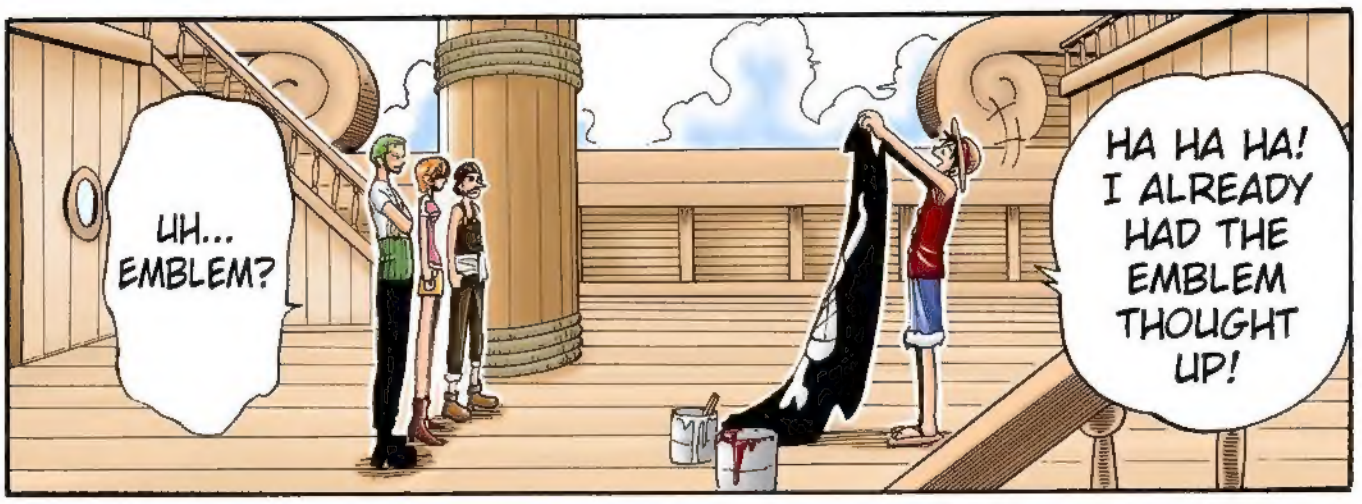
Chapter 42: YOSAKU AND JOHNNY

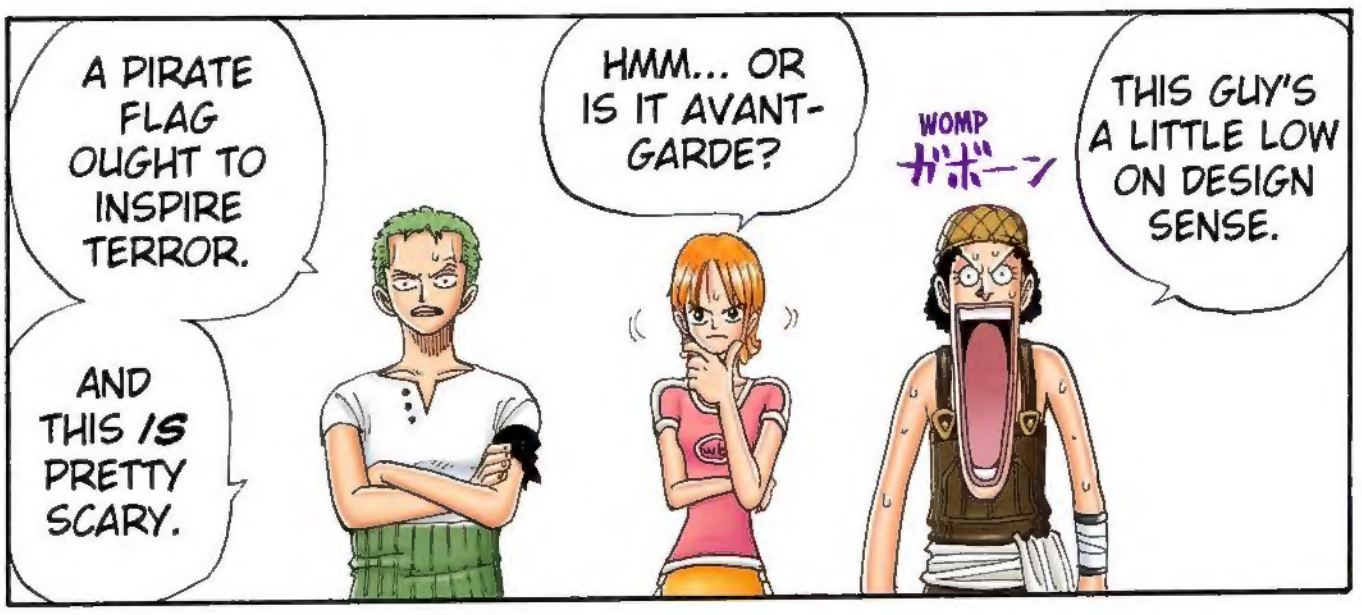


BUGGY'S CREW ADVENTURE CHRONICLES,
VOL. 6: "JOURNEY THROUGH THE SKY–PART 2"

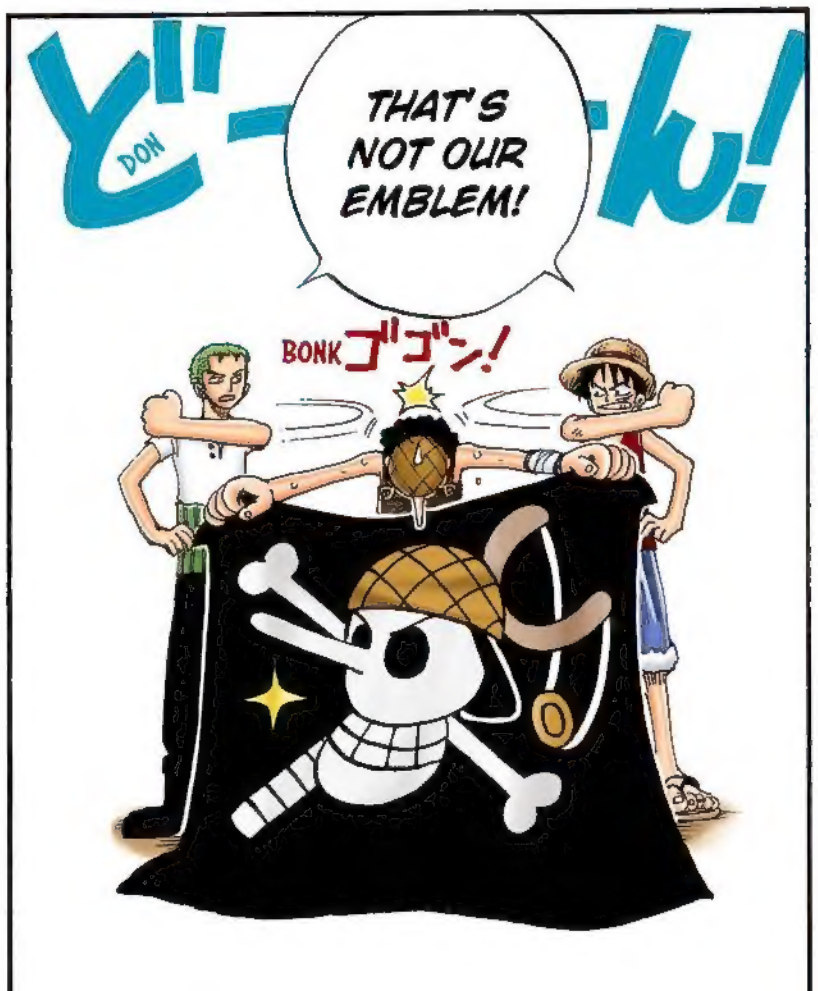
あっはっはっはっはっ
AHA
IT'S FINISHED !!!
OUR PIRATE FLAG!!!



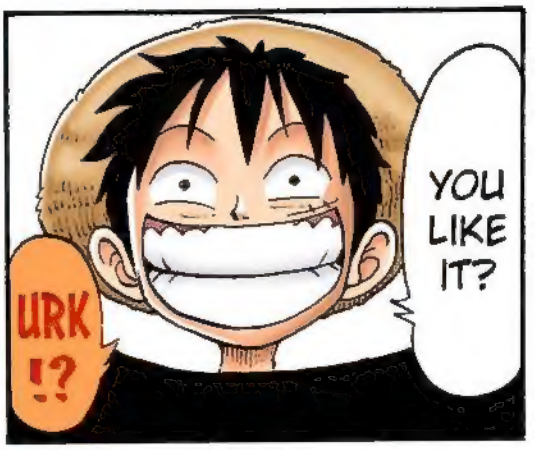
UH... EMBLEM?
HA HA HA! I ALREADY HAD THE EMBLEM THOUGHT UP!



A PIRATE FLAG OUGHT TO INSPIRE TERROR.
AND THIS IS PRETTY SCARY.
HMM... OR IS IT AVANT-GARDE?
WOMP ガボーン
THIS GUY'S A LITTLE LOW ON DESIGN SENSE.

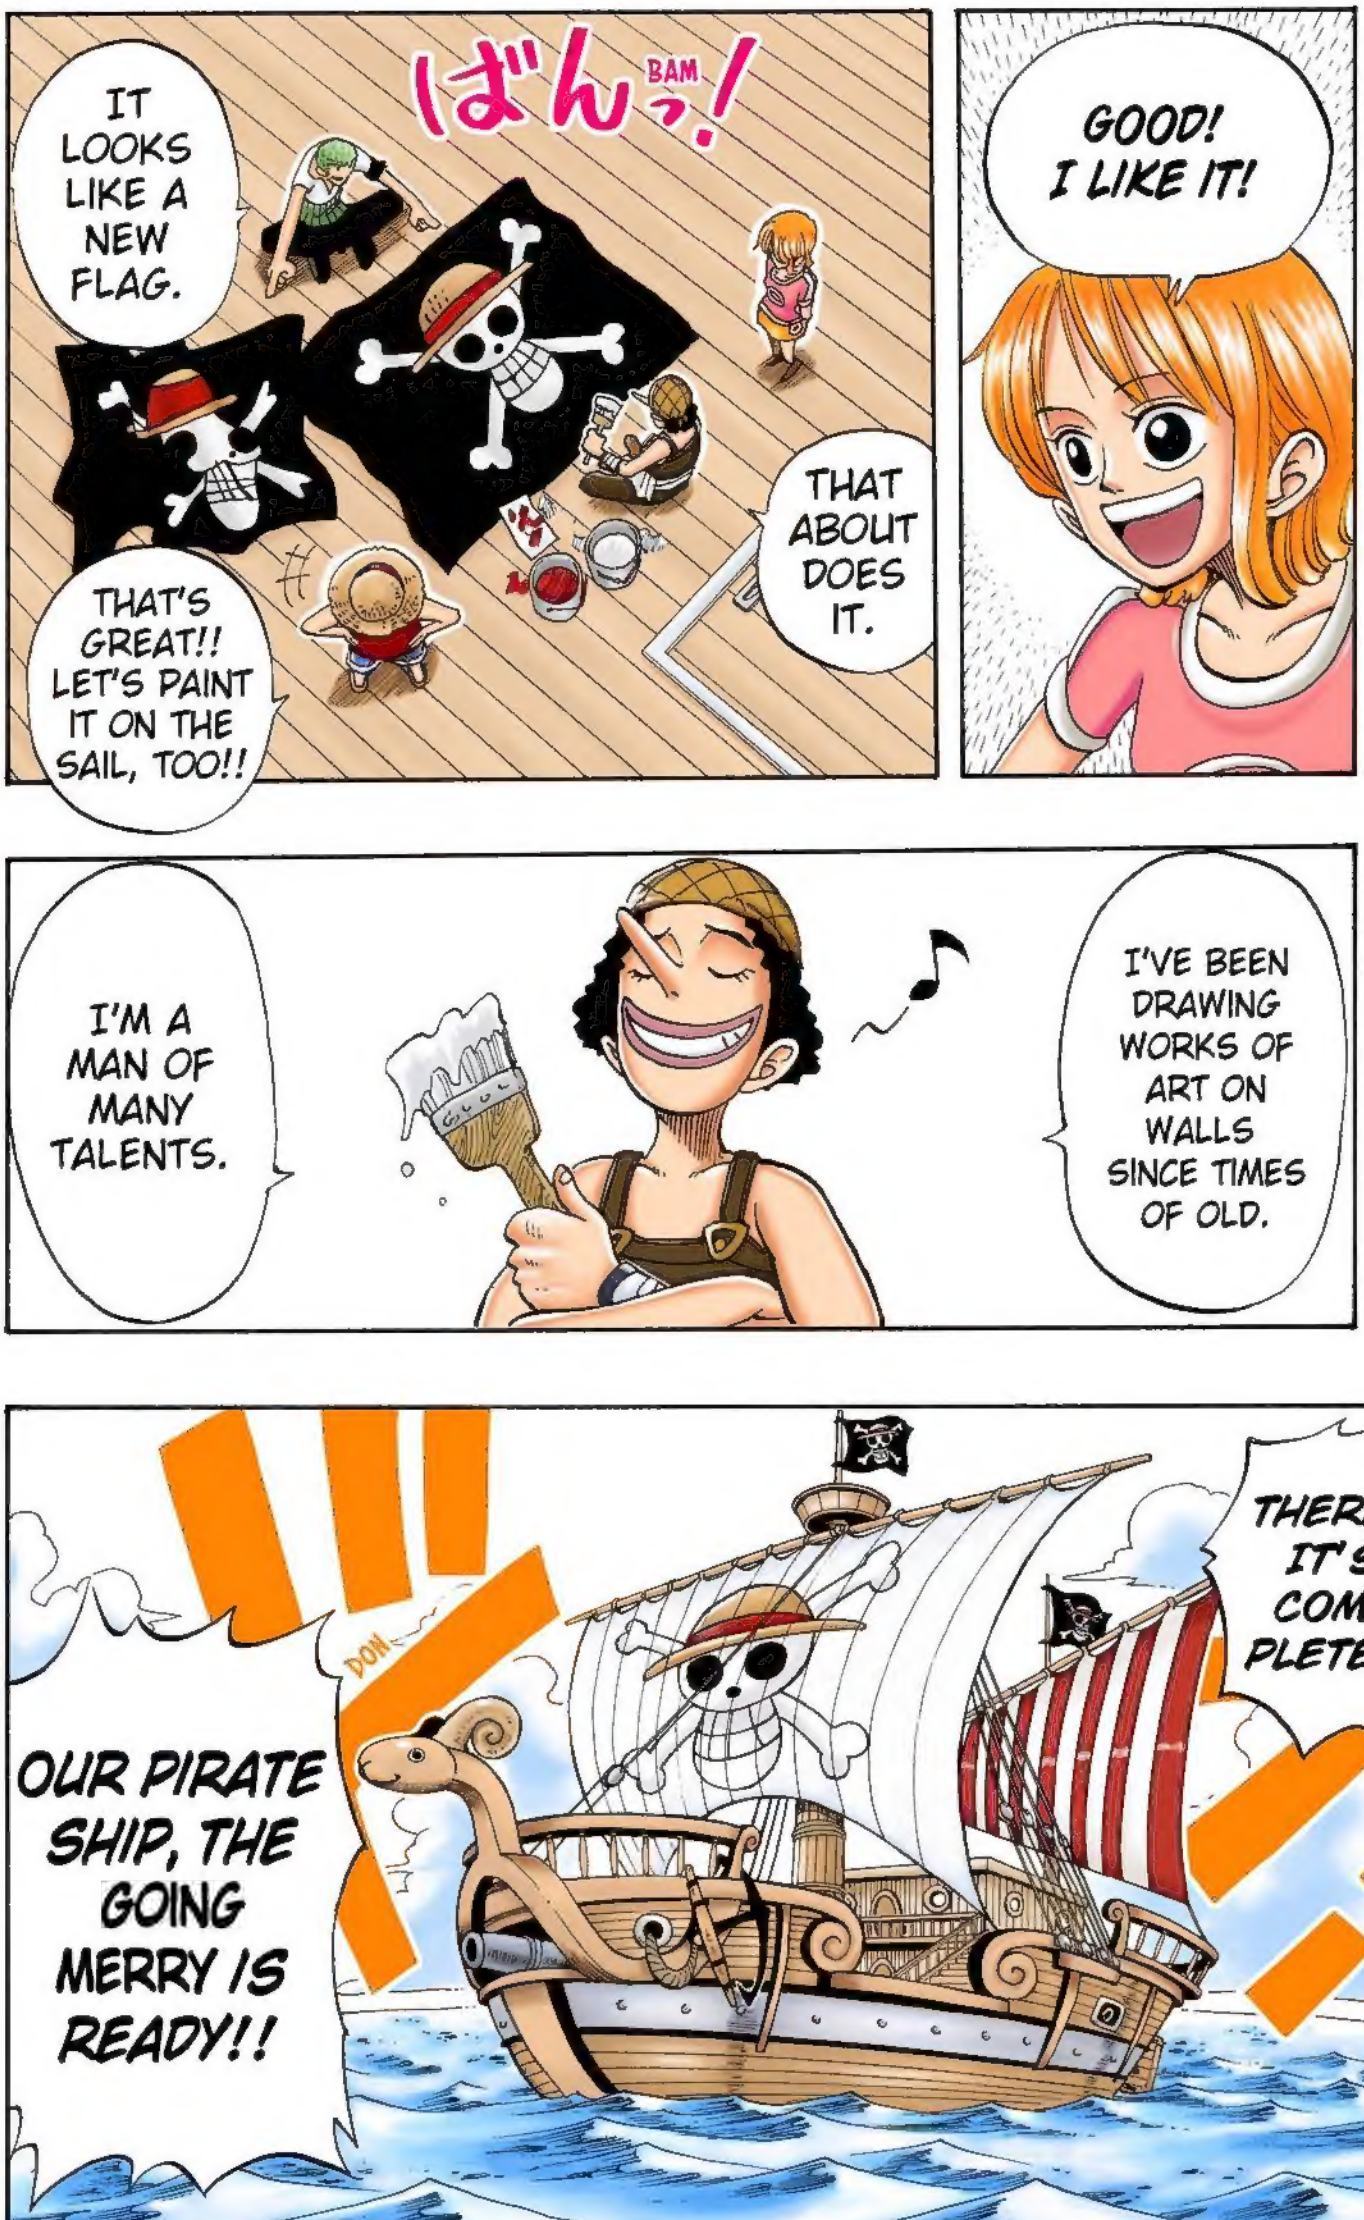


DON ドン
THAT'S NOT OUR EMBLEM!
BONK ゴゴン!



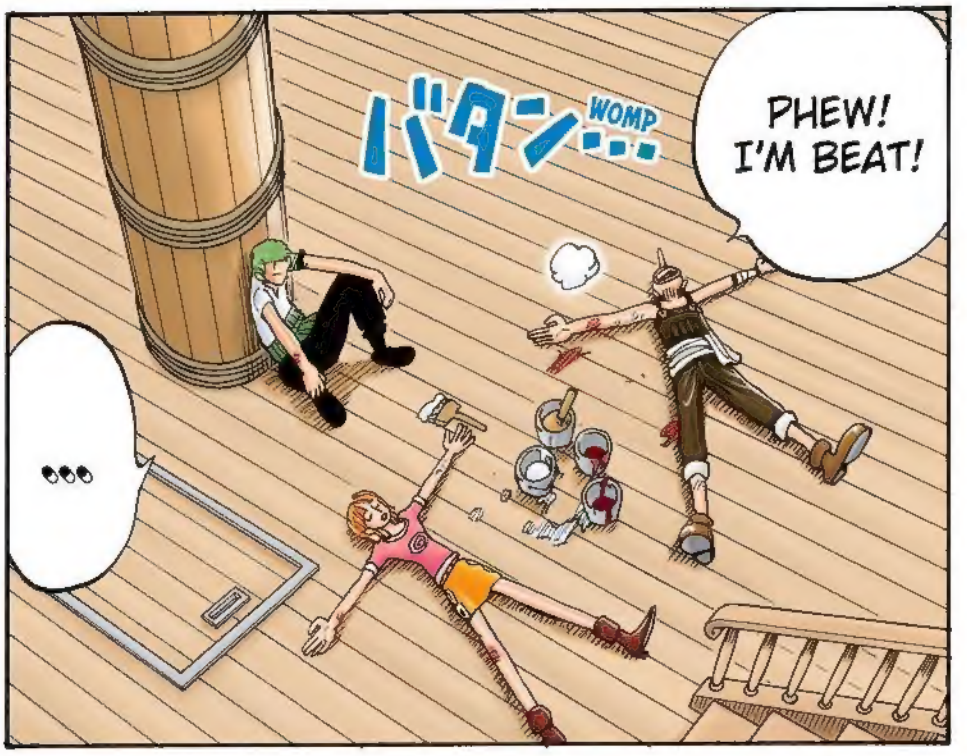
URK !?
YOU LIKE IT?

LET ME TRY!!
YOUR PAINTING STINKS, LUFFY!



IT LOOKS LIKE A NEW FLAG.
ばんっ!
BAM
THAT ABOUT DOES IT.
THAT'S GREAT!! LET'S PAINT IT ON THE SAIL, TOO!!
GOOD! I LIKE IT!
I'M A MAN OF MANY TALENTS.
I'VE BEEN DRAWING WORKS OF ART ON WALLS SINCE TIMES OF OLD.
OUR PIRATE SHIP, THE GOING MERRY IS READY!!
DON
THERE! IT'S COM-PLETE!!

ドカーン
BOOM
HUH?!



バタン…
WOMP
PHEW! I'M BEAT!
…

THAT'S SILLY. LET ME TRY.
BUT THIS THING DOESN'T SHOOT RIGHT.
TOMP

THAT ROCK. IT'S CANNON PRACTICE.
WHAT ARE YOU FIRING AT?!
SPLASH

THIS SHOULD DO IT...
GERK

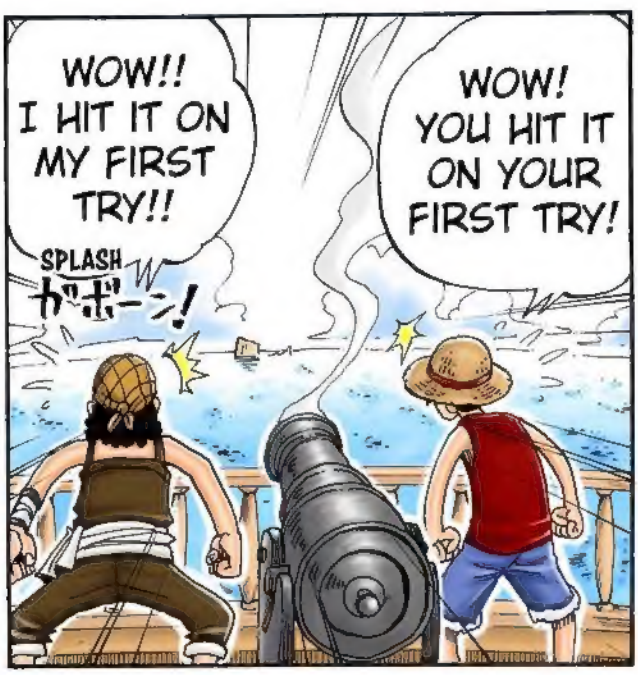
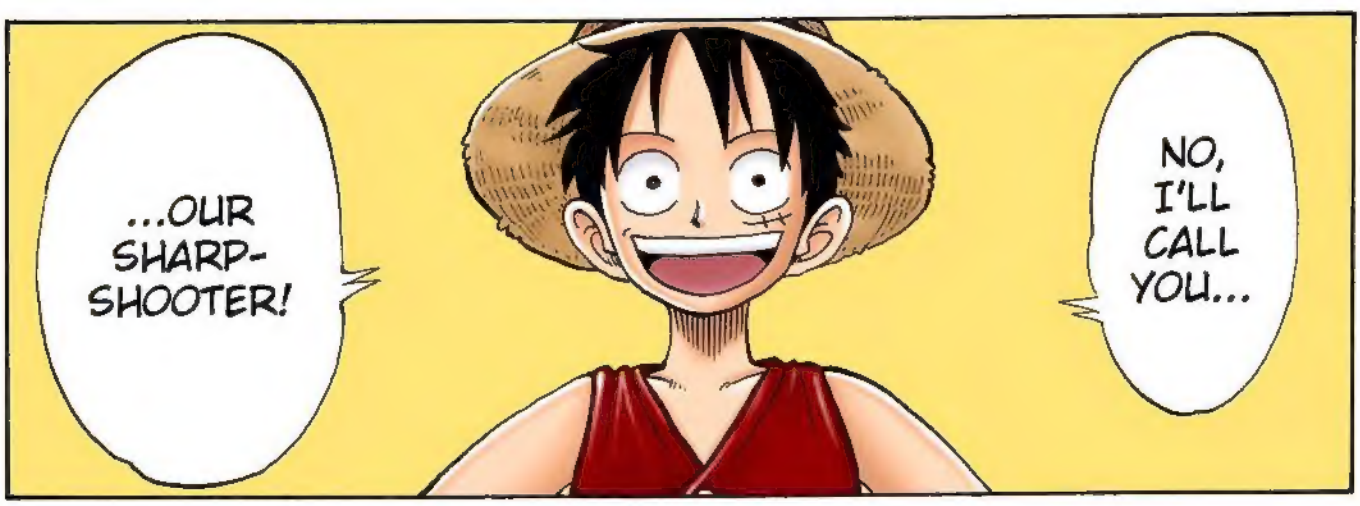
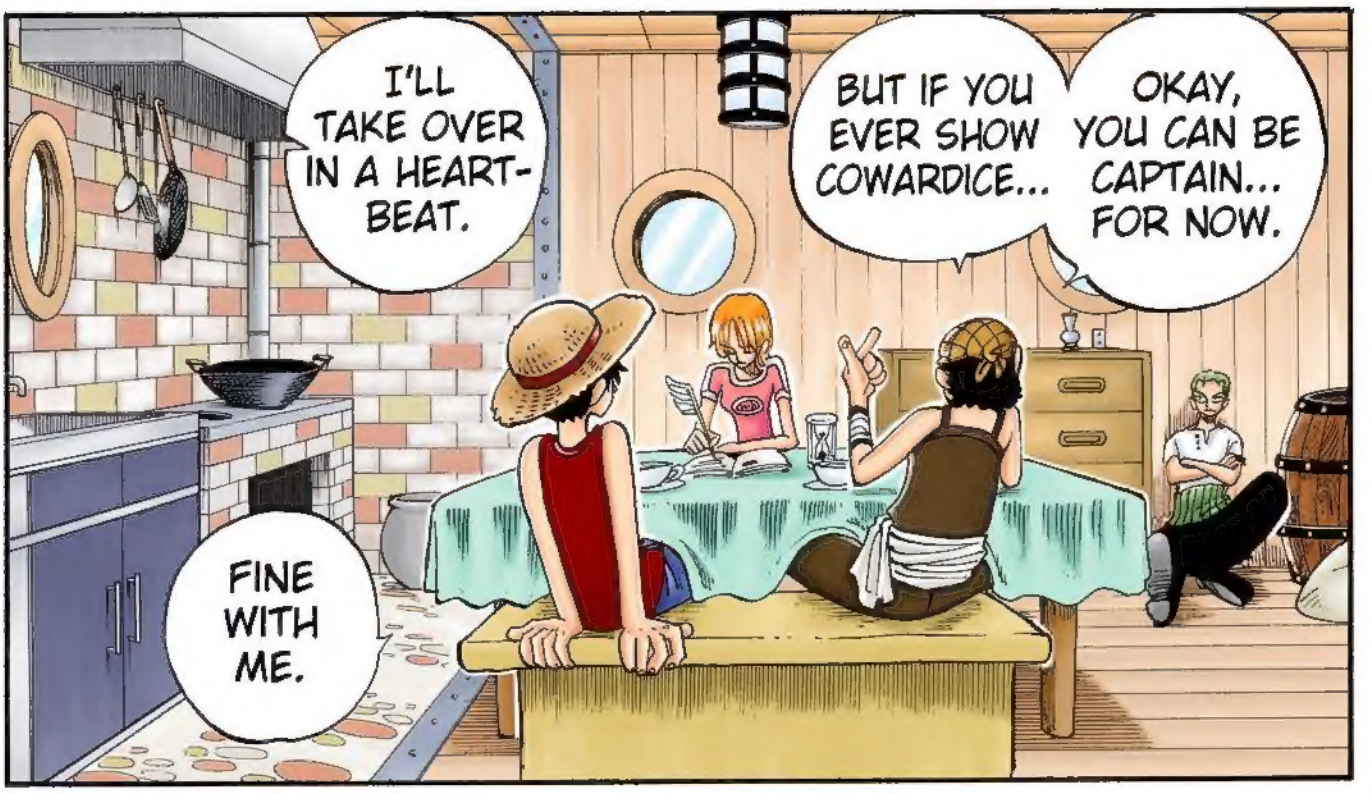
SEE?!
DIDN'T I TELL YOU? I ALWAYS HIT WHAT I AIM AT.
IF YOU'RE IMPRESSED, JUST CALL ME "CAPTAIN."



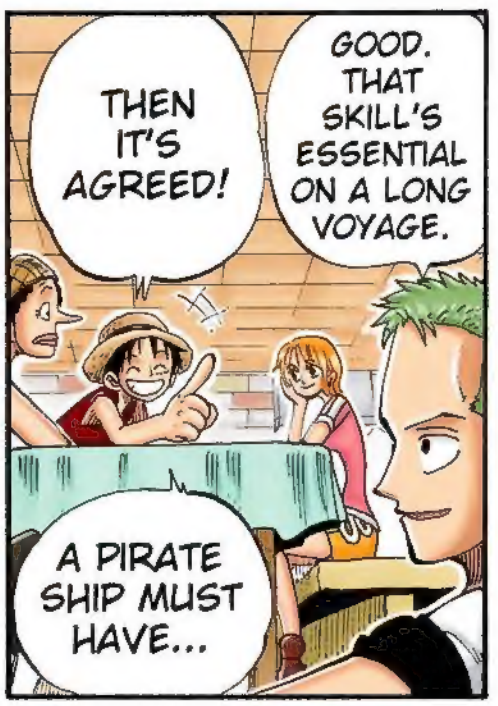
WOW!! I HIT IT ON MY FIRST TRY!!
WOW! YOU HIT IT ON YOUR FIRST TRY!
SPLASH
ガボーン!



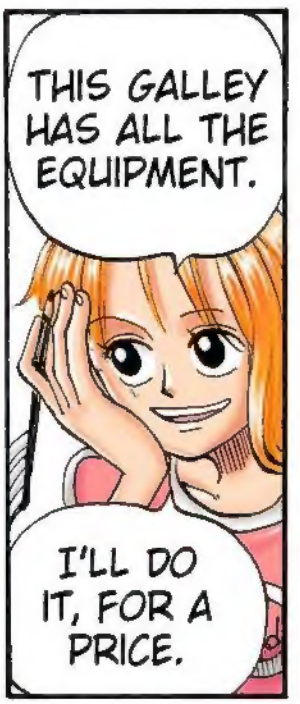
...OUR SHARP-SHOOTER!
NO, I'LL CALL YOU...



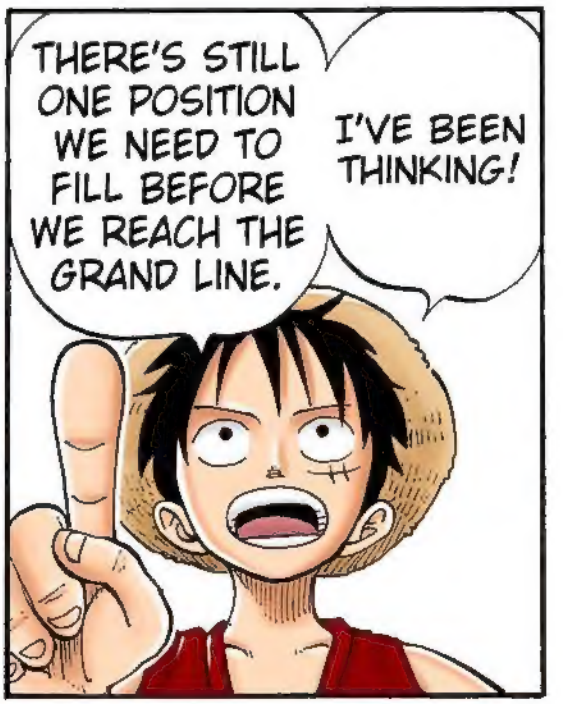
I'LL TAKE OVER IN A HEART-BEAT.
BUT IF YOU EVER SHOW COWARDICE...
OKAY, YOU CAN BE CAPTAIN... FOR NOW.
FINE WITH ME.



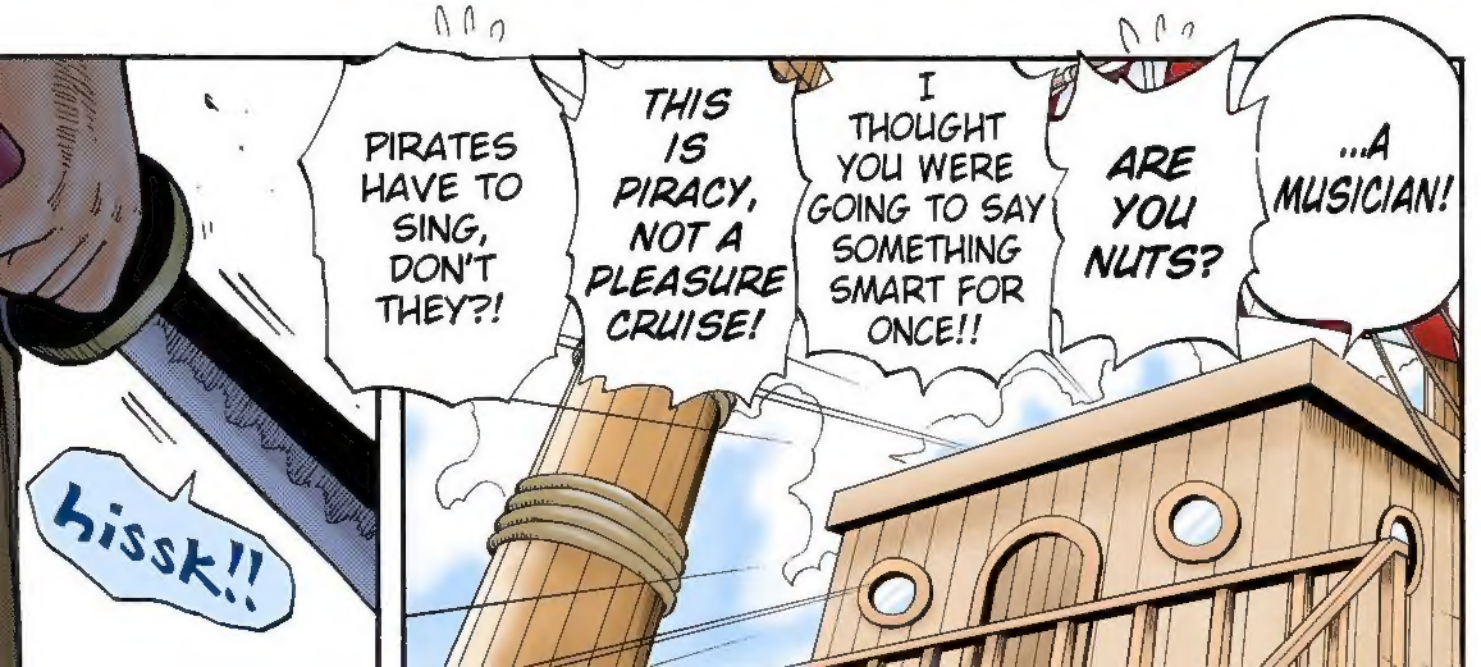
THEN IT'S AGREED!
GOOD. THAT SKILL'S ESSENTIAL ON A LONG VOYAGE.
A PIRATE SHIP MUST HAVE...



THIS GALLEY HAS ALL THE EQUIPMENT.
I'LL DO IT, FOR A PRICE.



THERE'S STILL ONE POSITION WE NEED TO FILL BEFORE WE REACH THE GRAND LINE.
I'VE BEEN THINKING!



hissk!!
PIRATES HAVE TO SING, DON'T THEY?!
THIS IS PIRACY, NOT A PLEASURE CRUISE!
I THOUGHT YOU WERE GOING TO SAY SOMETHING SMART FOR ONCE!!
ARE YOU NUTS?
...A MUSICIAN!

I'LL KILL THE LOT OF YOU !!!!
KRAK
?!
TWITCH
WHAT'S THIS?!
COME OUT AND FIGHT, DOGS !!!

DON
WHO ARE YOU?!
HEY!!

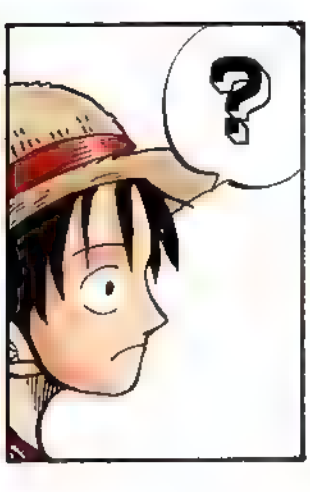
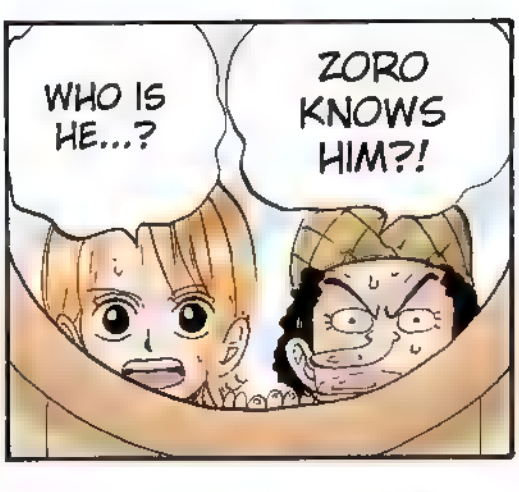
WHAT'S GOING ON? WHERE'S YOSAKU?
TMP
Z-ZORO?! MY BROTHER !!!

LISTEN TO ME!!! YOSAKU IS...

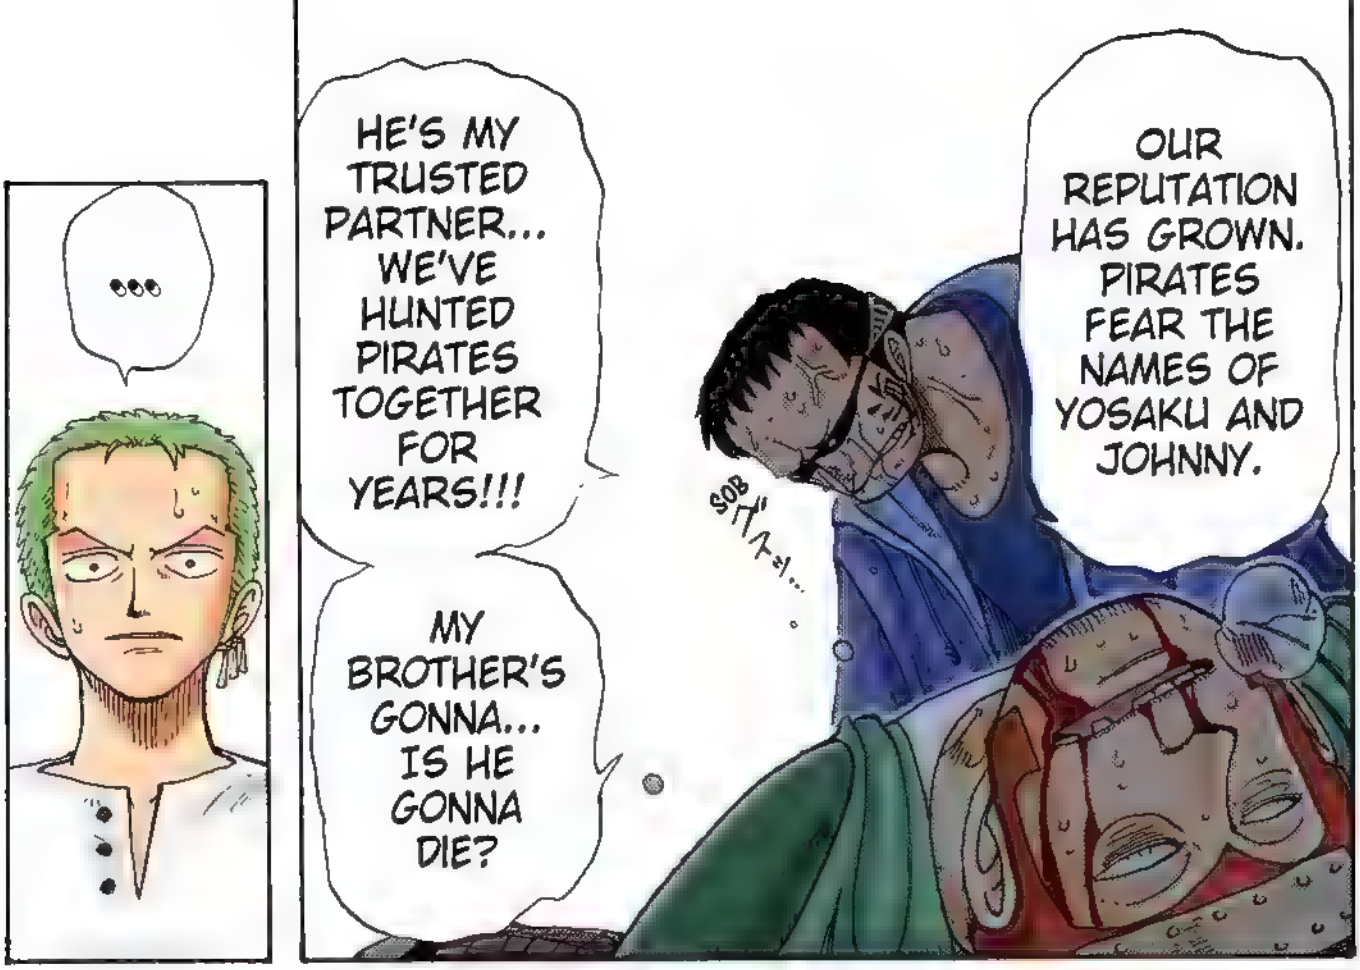


?

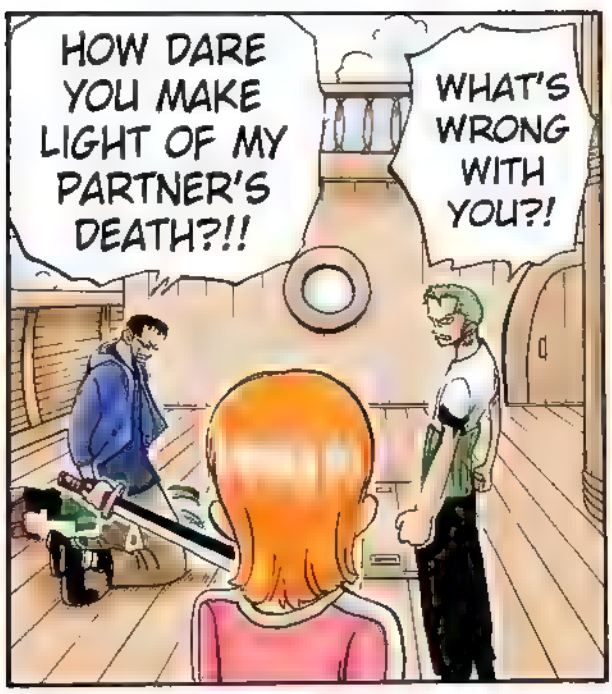


WHO IS HE...?
ZORO KNOWS HIM?!

...THEN HE WENT PALE AND STARTED PASSING OUT!! I DON'T KNOW WHAT'S WRONG!
HE WAS FIT AS A FIDDLE UNTIL A FEW DAYS AGO...
DYING?!
I DIDN'T KNOW WHAT TO DO...
...SO I WENT TO GET SOME REST AND THINK ON THAT ROCK.
HUFF ぜぇ
WHEEZE ハァ ハァ
HIS TEETH ARE FALLING OUT...
AND HE'S BLEEDING FROM OLD SCARS.
IF YOU COULD JUST APOLOGIZE, WE'D HAVE NO NEED FOR POLICE.
ズキーン!
BA-BUMP
WHAT'S DONE IS DONE.
WE... WE'RE SORRY.
ドゴー
THEN ONE OF YOU SHOT A CANNONBALL AT ME!!!
BOOM
ーン!!

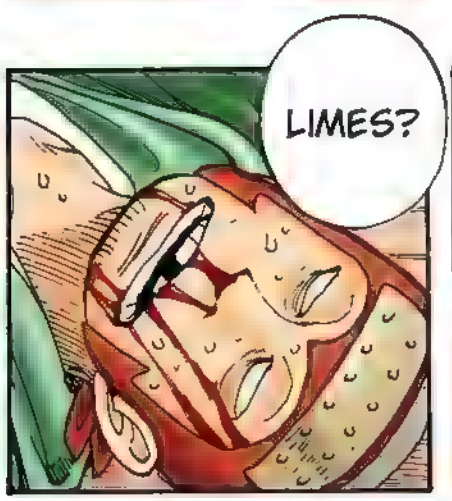


...
HE'S MY TRUSTED PARTNER... WE'VE HUNTED PIRATES TOGETHER FOR YEARS!!!
MY BROTHER'S GONNA... IS HE GONNA DIE?
SOB ガ…ト…
OUR REPUTATION HAS GROWN. PIRATES FEAR THE NAMES OF YOSAKU AND JOHNNY.

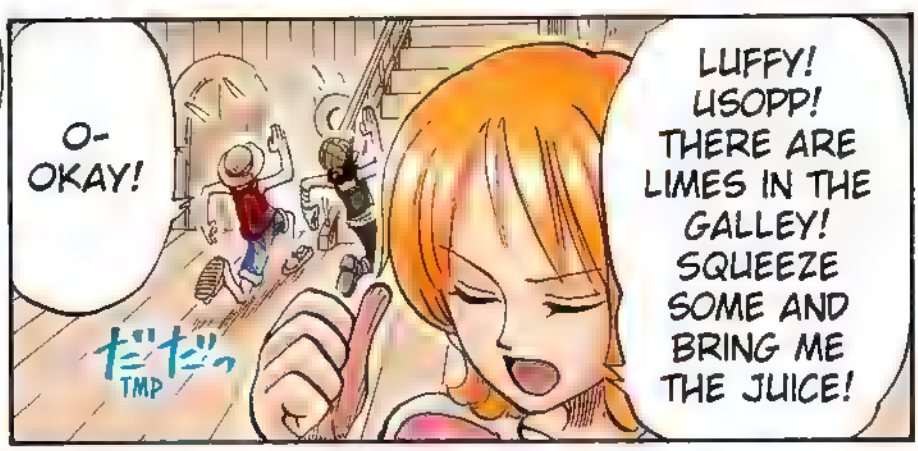


HOW DARE YOU MAKE LIGHT OF MY PARTNER'S DEATH?!!
WHAT'S WRONG WITH YOU?!

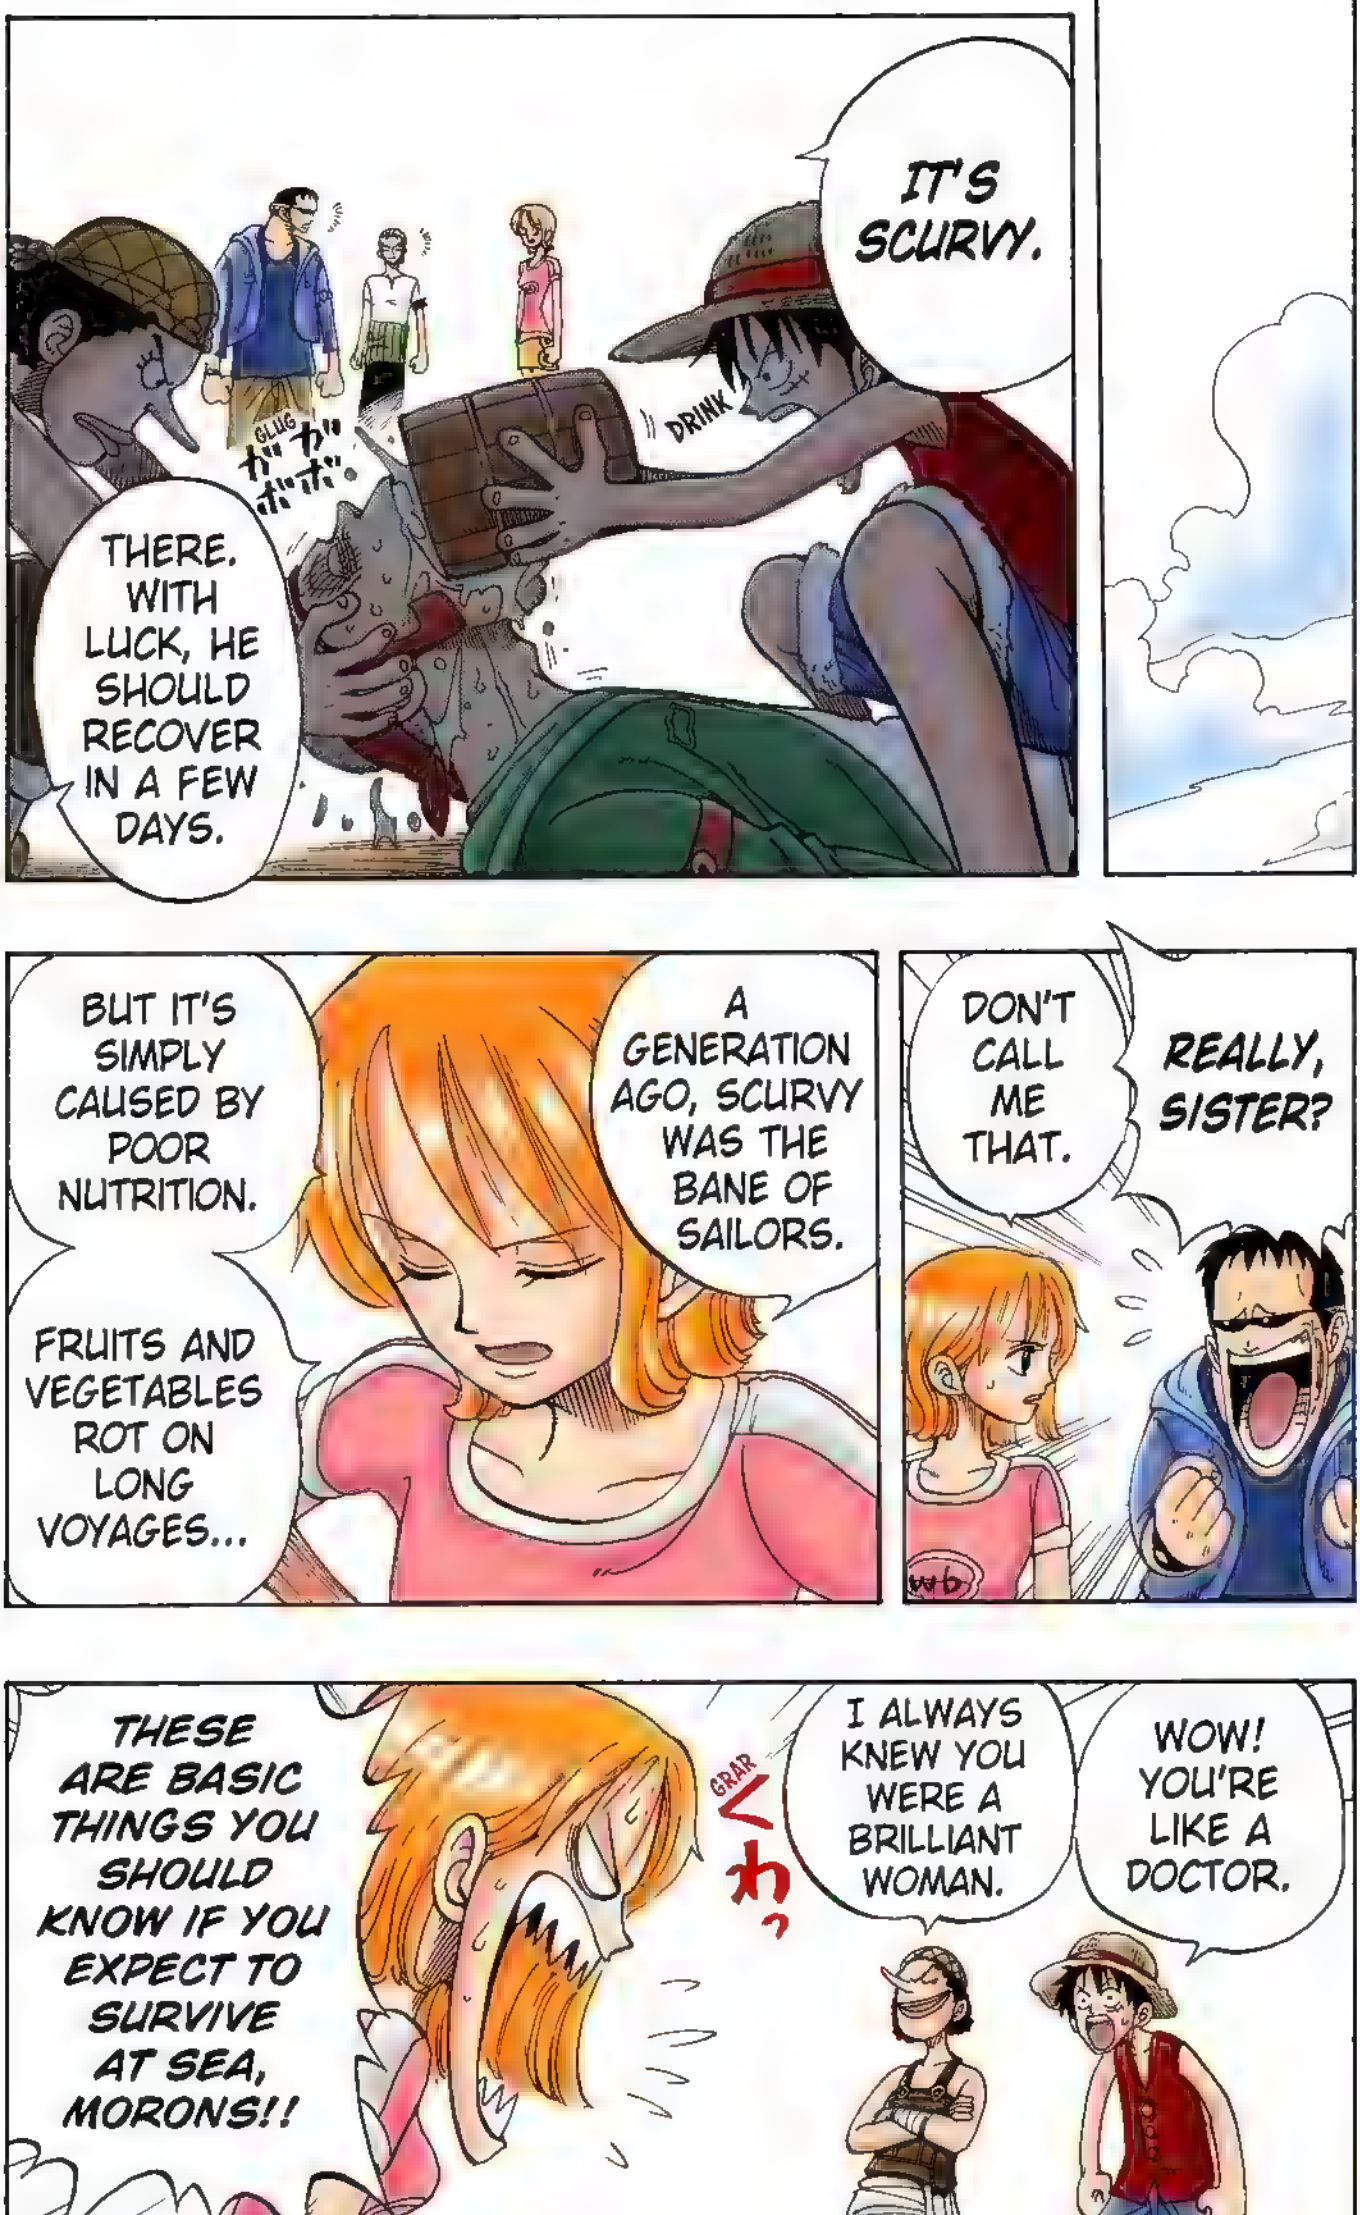
DON'T BE STUPID!!



LIMES?



O-OKAY!
だだだ TMP
LUFFY! USOPP! THERE ARE LIMES IN THE GALLEY! SQUEEZE SOME AND BRING ME THE JUICE!



IT'S SCURVY.
DRINK
GLUG ガガボボ。
THERE. WITH LUCK, HE SHOULD RECOVER IN A FEW DAYS.
A GENERATION AGO, SCURVY WAS THE BANE OF SAILORS.
BUT IT'S SIMPLY CAUSED BY POOR NUTRITION.
FRUITS AND VEGETABLES ROT ON LONG VOYAGES...
REALLY, SISTER?
DON'T CALL ME THAT.
WOW! YOU'RE LIKE A DOCTOR.
I ALWAYS KNEW YOU WERE A BRILLIANT WOMAN.
GRAR

THESE ARE BASIC THINGS YOU SHOULD KNOW IF YOU EXPECT TO SURVIVE AT SEA, MORONS!!

YOU'RE NOT WELL ENOUGH TO DANCE!!

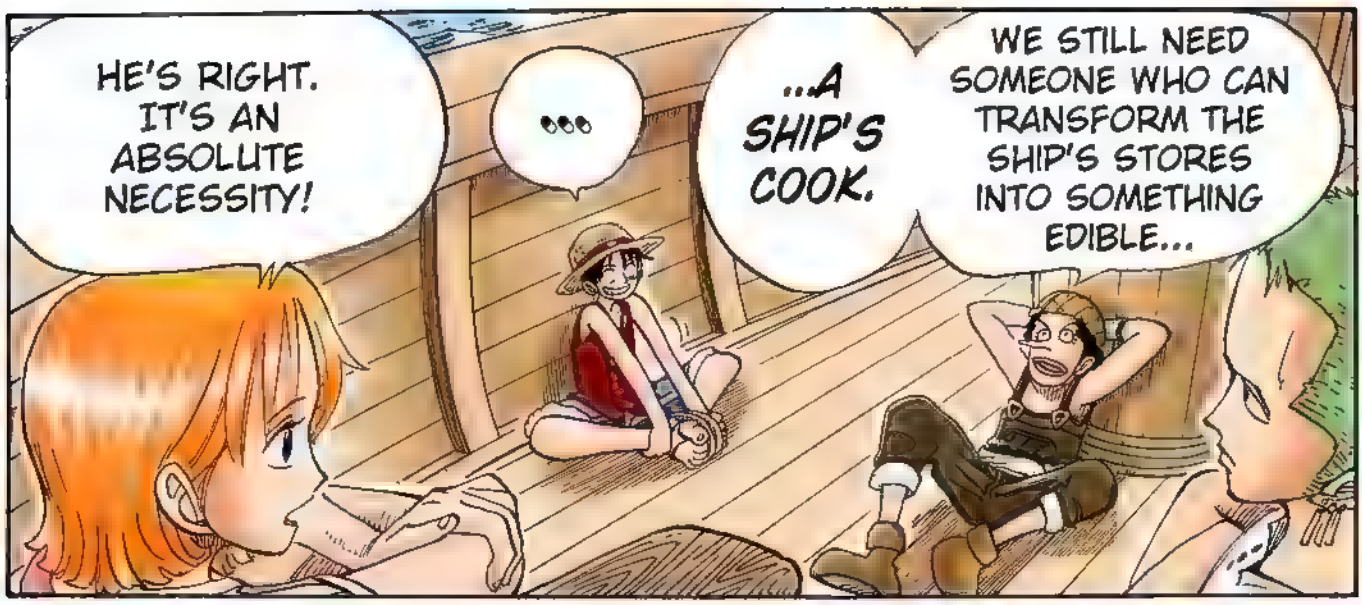
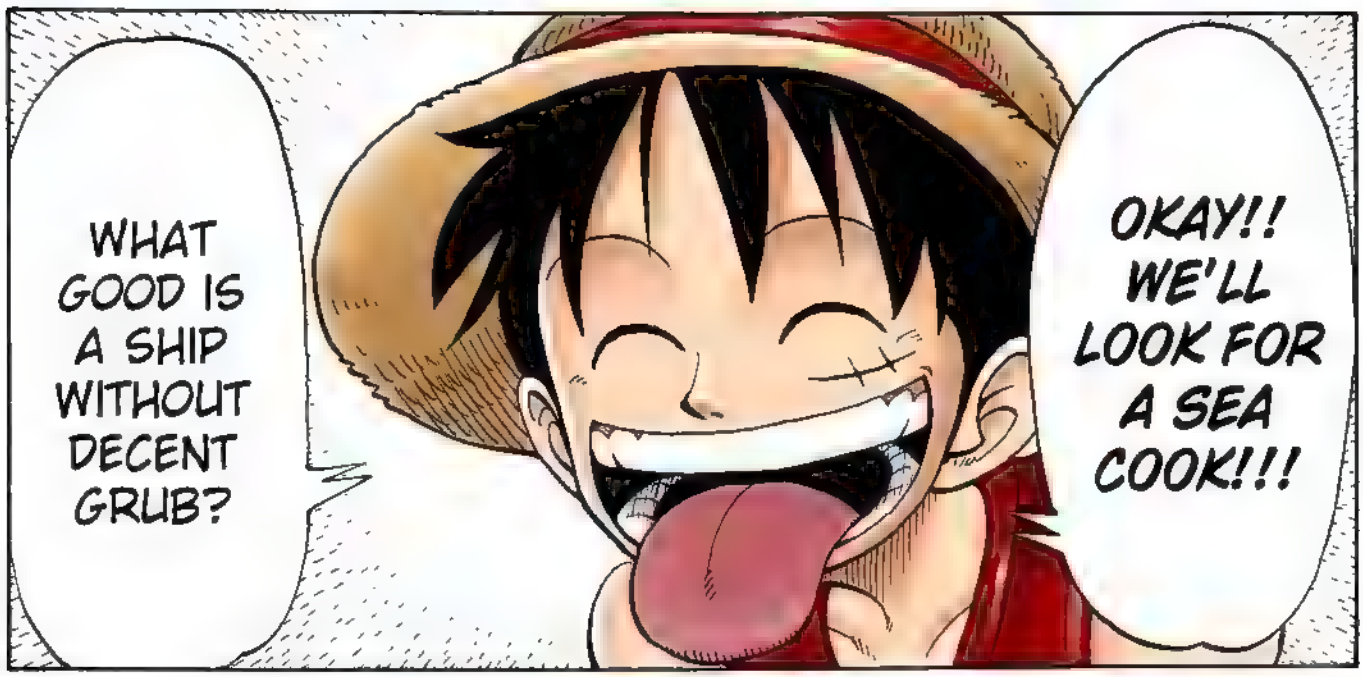
THOSE GUYS WOULD BE DEAD IF WE HADN'T COME ALONG.
A LONG VOYAGE ON THE HIGH SEAS IS FRAUGHT WITH HIDDEN DANGERS.
LEARNED ANYTHING?
TWITCH
ピク
ピク..

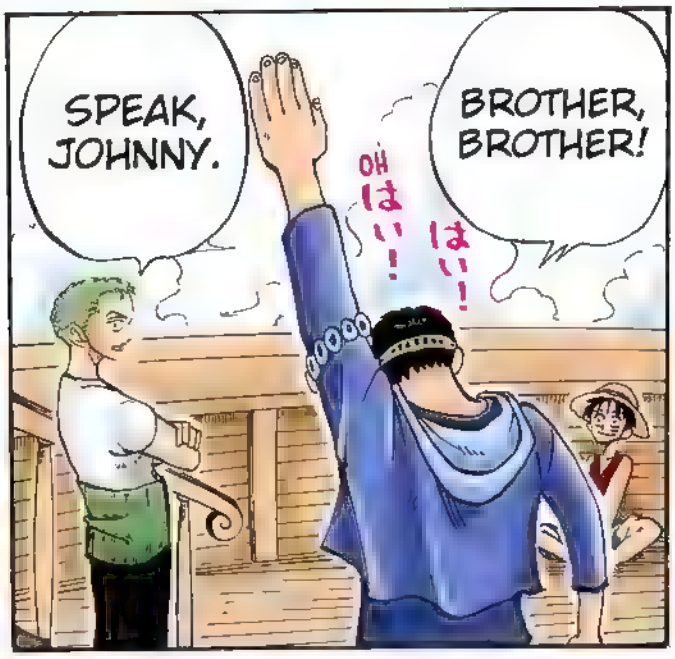


HE'S RIGHT. IT'S AN ABSOLUTE NECESSITY!
...
...A SHIP'S COOK.
WE STILL NEED SOMEONE WHO CAN TRANSFORM THE SHIP'S STORES INTO SOMETHING EDIBLE...



WHAT GOOD IS A SHIP WITHOUT DECENT GRUB?
OKAY!! WE'LL LOOK FOR A SEA COOK!!!

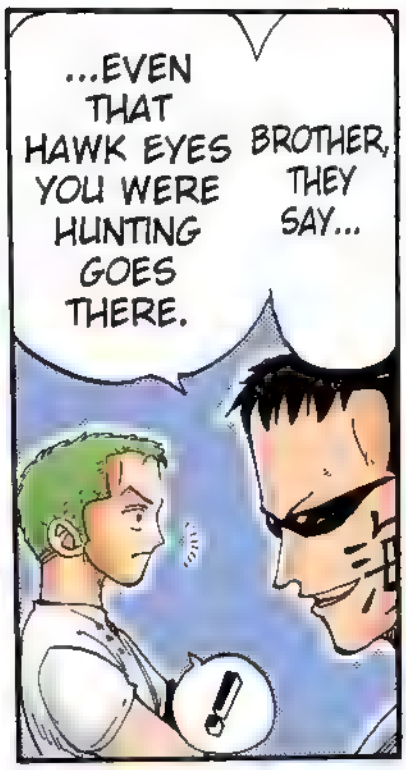
BUT WHETHER HE'LL JOIN UP WITH YOU IS ANOTHER MATTER.
IF YOU NEED A COOK, I KNOW WHERE TO FIND ONE.



SPEAK, JOHNNY.
BROTHER, BROTHER!
OH はい!
はい!

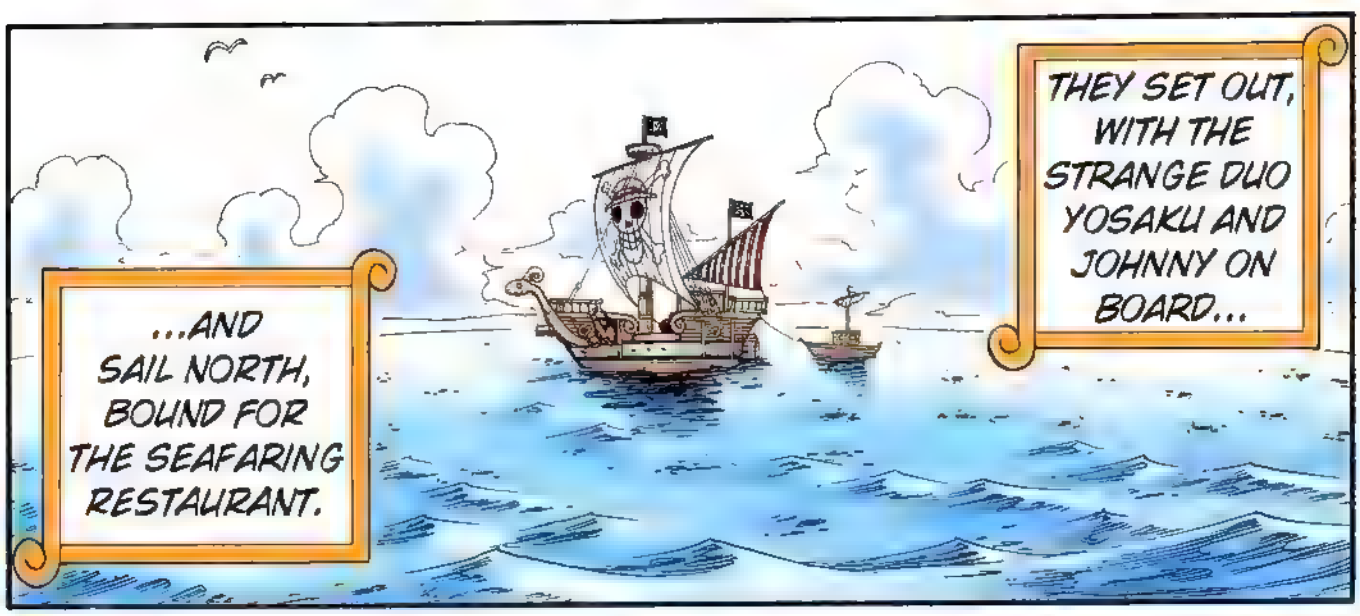
A SEAFARING RESTAURANT?!

YES, PLEASE!!
I'LL GUIDE YOU THERE, IF YOU WANT.
...

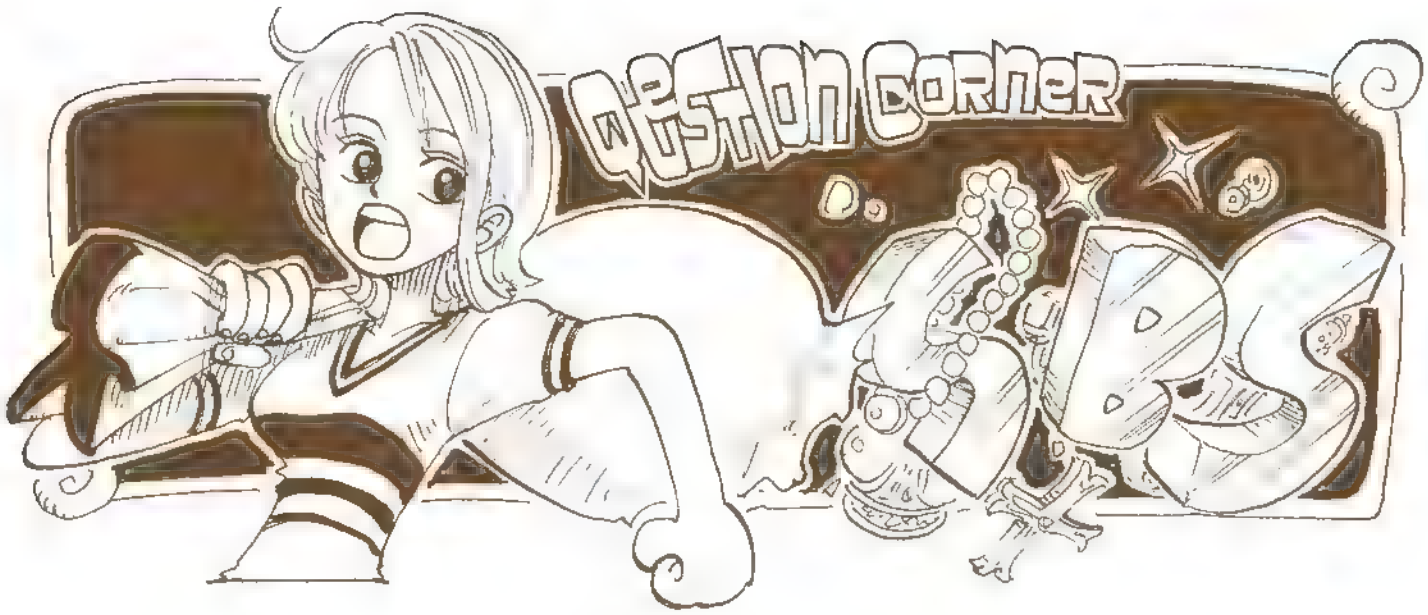


...EVEN THAT HAWK EYES YOU WERE HUNTING GOES THERE.
BROTHER, THEY SAY...
!

BUT BE CAREFUL. IT'S NEAR THE GRAND LINE.
IT'S TWO OR THREE DAYS' SAILING FROM HERE.
SOME ROUGH CUSTOMERS FREQUENT THAT PLACE.



...AND SAIL NORTH, BOUND FOR THE SEAFARING RESTAURANT.
THEY SET OUT, WITH THE STRANGE DUO YOSAKU AND JOHNNY ON BOARD...



A: Hello. I think I'll start the SBS Question Corner now. On your feet! Attention!! Hold that pose!!

Q: Sensei, does Shanks' first mate have a name? What about the guy with the meat?

A: Be seated.
Of course they have names. The first mate's name is Shoofukutii Mouse. "Oh, because he has a face like a mouse," says Usopp. No, just kidding! His real name is Benn Beckman. And the fat guy who's always eating meat is Lucky Roux. You don't really need to remember these, but I got quite a few questions about their names, so I might as well clear it up.

Q: The sound effect "don!" shows up a lot in One Piece. But why "don!"? I think something like "ba-bing" would work just as well.

A: No. That wouldn't work. That just wouldn't work. When I write "don!", I draw to give the feeling of "don!" If I wrote "Ba-Bing," I would end up drawing a "Ba-Bing" kind of scene. Maybe that would work in a gag scene. Or maybe something like "tee-hee." No, that's entirely different.

***Note:** "don!" , written as "どーん" in hiragana or "ドーン" in katakana ("ー" [choonpu] being used to elongate the sound to 'doon!'), is the sound effect Oda uses for many scenes in the manga. It is meant to sound like a loud drumbeat, but is more similar to the dramatic boom sound effect often used in movies to bring attention to something, especially in trailers.
VIZ's localization of choice is often "doom", but we kept it as its original "don".

Q: Nice to meet you, Oda-sensei! I love the manga you draw, called "NEP ECE."

A: Aaagh! I've been beaten... I love it when young boys and girls misread and omit the letters like that. Makes me wonder if anyone can read those weird letters. I'm sorry for making the "O" and "I" in the title logo weird-looking pictures instead of simple letters. It's correctly spelled "ONE PIECE." You pronounce it "wan peesu". Remember that if you have the time.

Q: What does the "Möwe" written on Morgan's chin mean?

A: It's a German word. It means "seagull." The pronunciation is kind of like "mehve." Well, he is a seaman after all.

Q: About Zoro's 3-sword-style... you'd think that with the sword in his mouth he wouldn't be able to talk. Could it be... ventriloquism?

A: It's his spirit.

Q: You don't seem to use much screentone. Is there a reason for that?

A: Once you start pasting tone, there's no end to it. It takes time, and it's a ~~pain in the~~...
My policy is that it's better to go with black and white than to just partially use tones.
Yeah, it's my policy.

- KURO'S FINAL MOVE IS CALLED "***SHAKUSHI***". IT REFERS TO A JAPANESE IDIOM, "NEKO MO SHAKUSHI MO" WHICH MEANS SOMETHING THAT IS ALL-ENCOMPASSING, WHILE THE WRITTEN READING IS "SLAUGHTER". WE USED A SIMILAR IDIOM, BEING "CURIOSITY KILLS", AS IT KEEPS THE SAME KANJI FOR KILLING/DEATH FROM THE ORIGINAL. THE ORIGINAL ENGLISH RELEASE USED A SIMILAR IDIOM, "OUT OF THE BAG"

- ***"FOR WHOM THE BELL TOLLS"*** IS A REFERENCE TO THE ERNEST HEMINGWAY NOVEL, SPELLED THE SAME IN JAPANESE

- THE ***GOING MERRY*** IS CALLED "GOING MERRY-GO" IN JAPANESE, BUT THE "-GO" IS JUST A COMMON SUFFIX USED FOR SHIPS IN JAPAN, WHICH IS WHY IT'S USUALLY OMITTED. SOME OLD TRANSLATIONS DID USE JUST "MERRY GO" AS A RESULT. ALSO, THE REASON FOR IT LOOKING LIKE A GOAT IS DUE TO THE PUN AFOREMENTIONED IN THE PREVIOUS VOLUME BETWEEN "HITSUJI" (GOAT) AND "SHITSUJI" (BUTLER), AS MERRY CLEARLY BUILT THE SHIP IN HIS IMAGE

- THE NOTE ABOUT A CARAVEL ON THE SIDE OF THE PAGE WAS PRESENT IN THE ORIGINAL JAPANESE VERSION AS WELL, HENCE WHY IT WAS KEPT DESPITE LOOKING OUT OF PLACE

*CARAVEL: A KIND OF SAILING SHIP.

- THE ***BARATIE*** IS BASED ON BARATEI, A REAL-LIFE RESTAURANT IN KUMAMOTO WHERE ODA WORKED AT BEFORE HIS DAYS AS A MANGAKA. THE ORIGINAL NAME OF BARATEI TRANSLATES TO THE "ROSE HALL"

- ***"SANJI"*** MEANS "THREE O'CLOCK" IN JAPANESE, MAKING HIS NAME LITERALLY JUST TRANSLATABLE AS "THREE". THERE IS A REASON FOR IT, BUT ONE THAT WILL BE MADE AWARE IN DUE TIME

- SANJI ***SWEARS...*** A LOT. WE'D LIKE TO REASSURE YOU THAT JARRING AS IT MIGHT FIRST SEEM, WE ARE NOT EXAGGERATING HIS SWEARING, AS FAN TRANSLATIONS TEND TO DO AT TIMES, IF ANYTHING MOST OF THE OFFICIAL TRANSLATIONS OFTEN DOWNPLAY HIS INSULTS TO MATCH AN AGE RATING. HE OFTEN SAYS "SHIT" IN A REALLY CRASS WAY, AND COMBINES IT WITH OTHER WORDS, LIKE, SHITHEAD, OLD SHIT, ETC., EVEN MAKING UP COMPLETELY NEW INSULTS LIKE "SHITHAT". IN JAPANESE, INSULTS ARE CONTEXT DEPENDENT, AS THE SAME SWEAR WORD CAN MEAN "DAMMIT" OR "SHIT" DEPENDING ON THE INFLECTION AND CONTEXT. HOWEVER, SANJI'S WORDS ARE VERY CLEARLY INTENDED TO SOUND CRASS AND INCREDIBLY RUDE, AND SO WE WANTED TO MATCH ODA'S ORIGINAL VISION

- IN TERMS OF ***INSULTS***, SANJI IS MEANT TO ALWAYS SOUND VULGAR AND CRASS, NEVER HESITATING TO INSULT SOMEONE, ZORO OCCASIONALLY SWEARS AS WELL, WHILE LUFFY INSTEAD OFTEN USES MORE CHILDISH INSULTS, STUFF THAT WOULD SOUND LIKE "JERK" OR "DUMBFACE". NAMI'S SWEAR WORDS ARE SIMILARLY OFTEN FAIRLY SOFT, WHILE USOPP WILL SOMETIMES SWEAR.

HOWEVER, LATER ON IN THE MANGA, ODA GENERALLY TONES DOWN HIS INSULTS QUITE A LOT. IT'S UNKNOWN WHY, WHETHER IT WAS A PERSONAL CHOICE OR A REQUEST BY THE PUBLISHER, BUT WE TRIED TO BE ACCURATE TO ODA'S VISION

- ***"THE CUSTOMER IS GOD"*** IS ACTUALLY A COMMON CUSTOMER SERVICE MOTTO IN JAPAN, AS WITHIN THE CULTURE CUSTOMER SERVICE IS ALWAYS EXPECTED TO BE IMPECCABLE

- THE KANJI TATTOO ON JOHNNY'S CHEEK READS ***"SEA"***

Did you all know? If you eat stuff like squid-ink spaghetti, your poop turns black. Pitch black. Hey, so what do you think? If you eat rainbow-colored spaghetti, do you think your poop will be rainbow-colored? I wonder. Maybe it doesn't matter.

-Eiichiro Oda, 1998

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

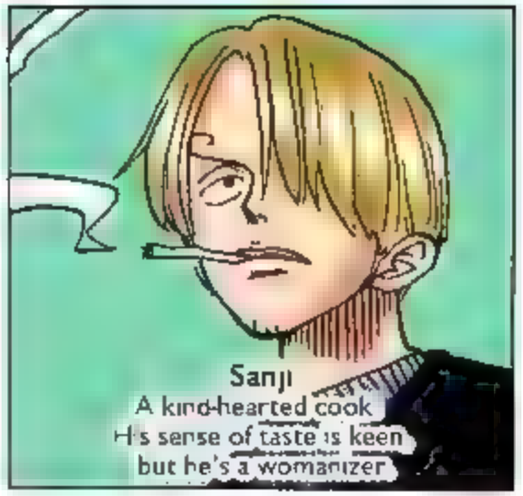
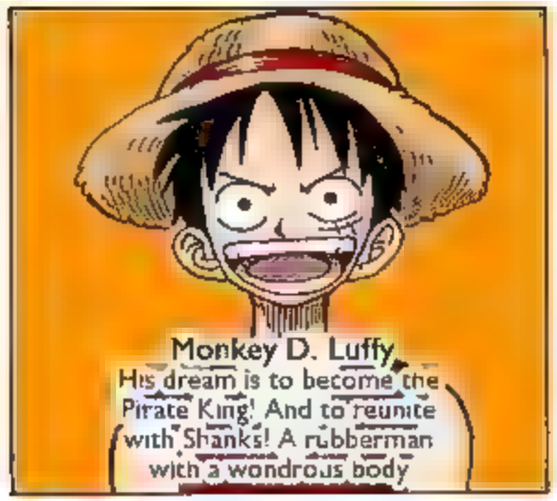
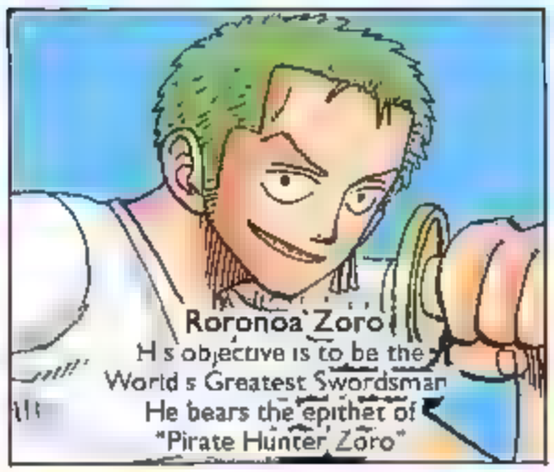
The Oath
STORY AND ART BY
EIICHIRO ODA

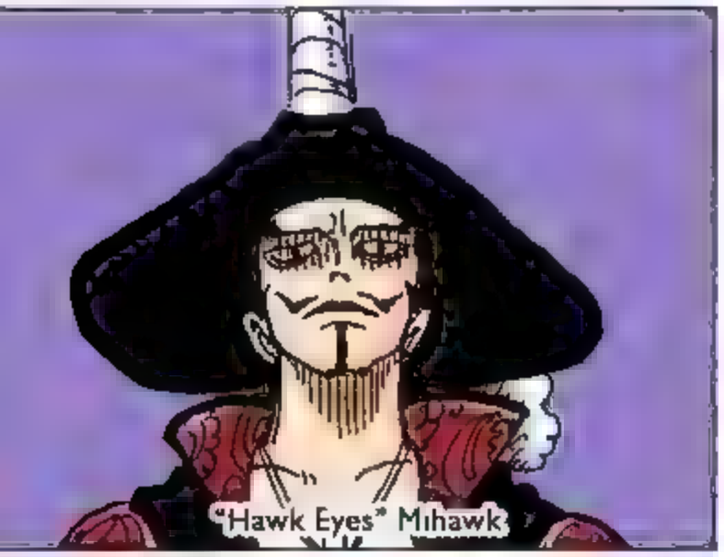
Having found and recruited Zoro and Nami on his journey to the Grand Line, Luffy stops at a village to gather provisions and find a more powerful ship. There, they meet the quick-witted, proud liar, Usopp. By chance, Luffy and his friends discover Captain Kuro's plan to assassinate Kaya. After a fierce battle, Luffy and his crew emerge victorious and acquire their own ship, the Going Merry.

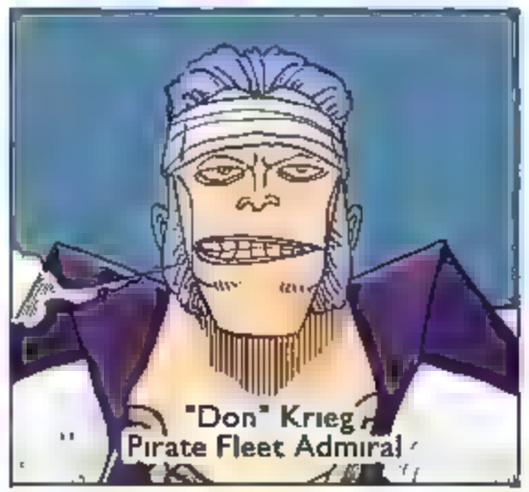
With their new companion, they set off once again, this time in search of a sea cook. They learn about a "seafaring restaurant" from the odd pair, Yosaku and Johnny, and sail north towards it. Upon arriving, they immediately get caught up in more trouble, and Luffy ends up working at the restaurant as a handyman. It is there they meet the person suited to be their cook—the sous chef, Sanji. But...

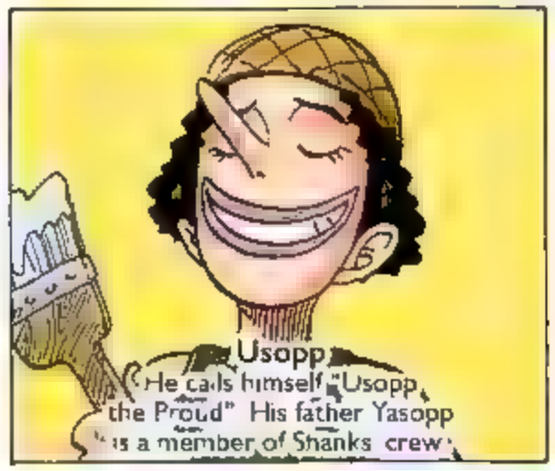


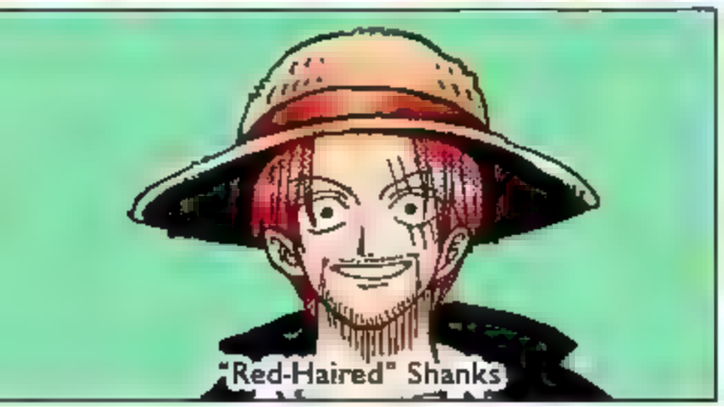


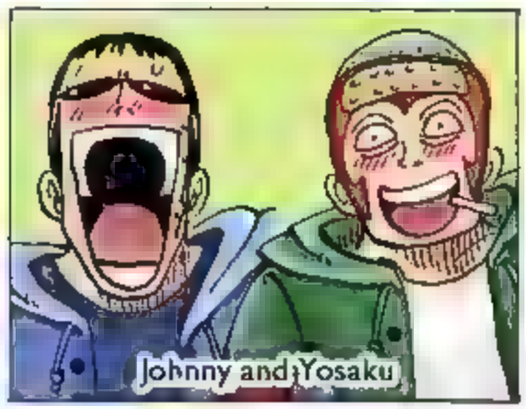


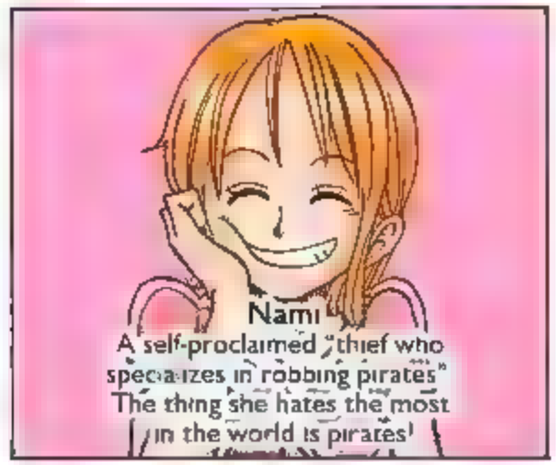












The story of ONE PIECE 1»6

It is currently the Great Pirate Era. Countless pirates have raised their flags and gone to battle to find the hidden treasure left behind by the legendary Pirate King, Gold Roger: the treasure said to "connect all as one", the One Piece. Among those who admire pirates like Roger is a young boy named Luffy He also admires Shanks, the leader of a pirate crew who was staying in his village. One day, he accidentally ate their spoil of battle, a "Devil Fruit". The fruit's special powers robbed Luffy of his ability to ever swim again, but also peculiarly turned his whole body into stretchy rubber! Soon afterward, however, he angered some bandits who had confronted Shanks and was tossed into the sea. As he was drowning, Luffy was set upon by a sea monster, but in an instant, Shanks was there to rescue him!—at the cost of his left arm.

10 years later, using Shanks's straw hat as his trademark, Luffy set out to sea. His great journey to become the Pirate King had begun.

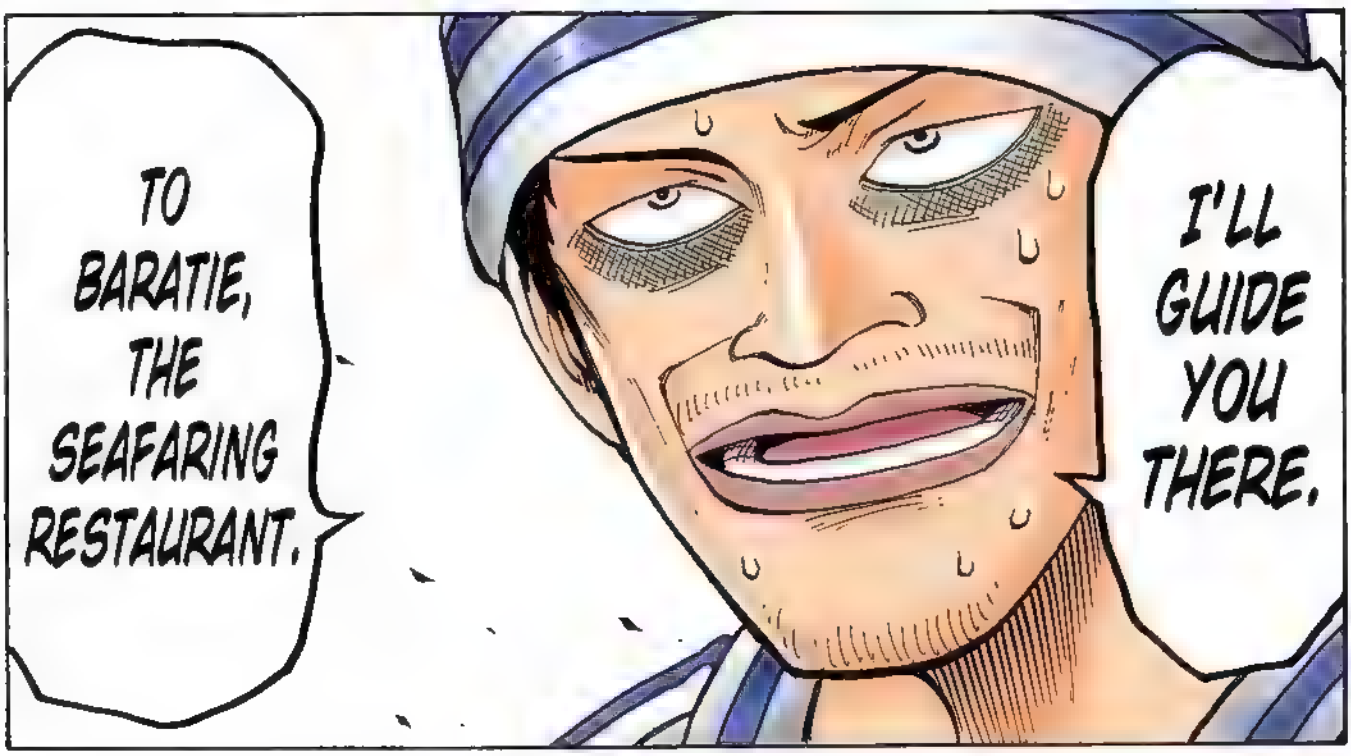
AYE, SIR.
BUT I DIDN'T KNOW THE FLAGSHIP WAS IN SUCH A CONDITION...



TO BARATIE, THE SEAFARING RESTAURANT.
I'LL GUIDE YOU THERE.

Q: Oda Sensei! One... two... Jango!!!

A: Zzzzzzzzz... Huh? G'mornin'!!

Q: The other day, some neighborhood kids asked me, "Where can I go to meet Luffy?" So where can you go to meet Luffy? The North Sea? The Mediterranean? Tone River? Biwa Lake?

A: Hmm... where to go to meet him. That's difficult. If you were to take an unhurried journey around the world's oceans, you just might see him. But at sea you'll also encounter the likes of Buggy, so make sure you're careful. Always be careful.

Q: Umm, I have a question about "One-Two" Jango. What's with the striped goatee?

A: It's a mushroom. Before becoming a pirate, he was a wandering dancer, but business was not good and he was always going to sleep without a bath. Then a striped mushroom started sprouting from his chin. He was hungry, so he ate the cap of the mushroom, but it tasted terrible! He swallowed it nonetheless, and ever since then he's been able to hypnotize people. So the stripes on his chin are actually the leftover bit of mushroom. Yup.

Q: By any chance is Gaimon my father? (Inquiry from the Ministry of Education, Science, and Culture.)

A: Darn! You found out! You tracked him down through the Ministry of Science. I didn't consider that possibility. Gaimon told me not to tell anyone, but I guess there's no way to hide it now. Fine! Go meet him! You're Gaimon's son! Leap into his arms and hug him! And while you're at it, leap into the ocean and cool your head, you little weirdo!

Q: I said to my friend, "Buggy's totally cute!" ♡and she took a step back and said, "You're weird!!" Am I weird?

A: Yes, you are weird!! But I like him too, that Buggy. But I'm not weird... I'm a special exception. Yeah, that's right.

Q: I have a request. ♡Please give me Gaimon.♡

A: Uh... okay... But check with his son first.

Q: When an artist is drawing chapter 10, which chapter is appearing in *Shonen Jump*?

A: I see... I used to be interested in these questions myself. At present, issue 46 of **Shonen Jump** (the Japanese edition) is out in the world. The One Piece chapter in there is chapter 60. However, I've finished drawing chapter 63. So a chapter emerges in the world three weeks after I've completed it.
But this is just my schedule, right now. Not everyone drawing for weekly publication does it the same way. And I might change, too. It varies.

...
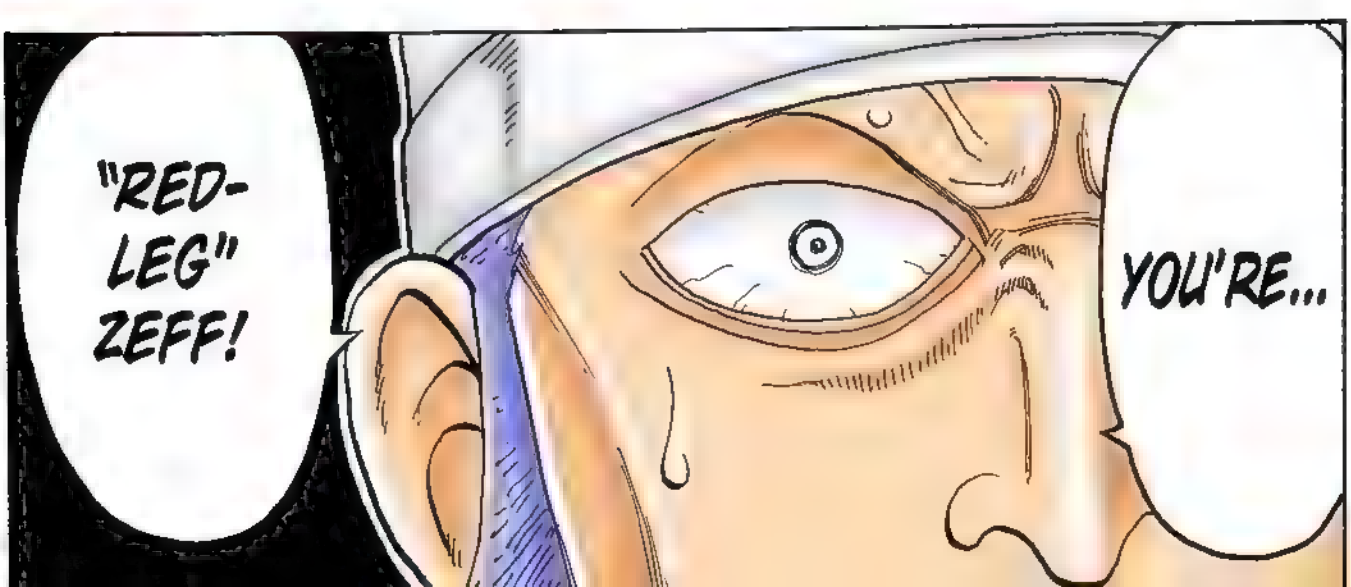
...WHO COMMANDS 50 PIRATE SHIPS...
THE TYRANT OF THE EAST BLUE..
WHOA !!! HE CALLED KRIEG A COWARD ?!!



"RED-LEG" ZEFF!
YOU'RE...

Q: What happened to the key that Chou-Chou swallowed in volume 2?

A: It came out...with a lovely brown sheen.

Q: In a Question Corner in volume 4, you said that Luffy's arms can stretch about 72 gum-gums, but how many meters are in a gum-gum? (Inquiry from the Ministry of Education, Science, and Culture.)

A: You again! Gaimon's son, investigating through the Ministry of Science again, eh? Meters, you ask? It can't be measured that way. Now pay attention. One gum-gum equals 10 fairy gum-gums. One fairy gum-gum equals 10 funky gum-gums. So one gum-gum equals 100 funky gum-gums, which means that Luffy's arms can stretch a whopping 7,200 funky gum-gums. Is that clear?

Q: Where are you from? It didn't say in your profile in volume 4.

A: Kumamoto, in Kyushu. It's a nice place.

Q: How come Luffy and Zoro don't go by the names Monkey and Roronoa? Or are those their surnames?

A: That's it. Their surnames come first, Japanese style. Luffy and Zoro are their first names.

Q: Is there a mirror on Alvida's ship?

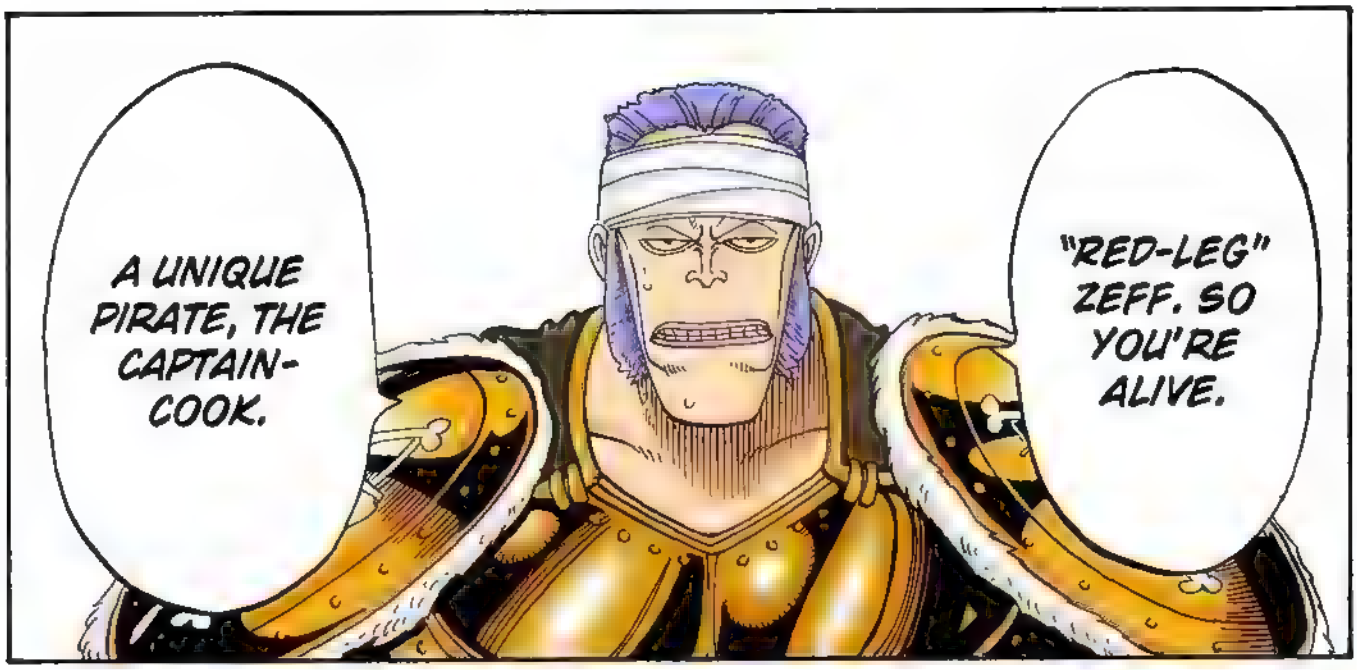
A: Ugh! Look out, her iron club will come flying! You're on your own! Man, what a dangerous question. But ... I bet there isn't a mirror. (Klang!!!) Ow!

Q: I've been reading *One Piece*, and I notice that sometimes mysterious characters pop up. For example, in the third panel on page 182 of *One Piece* volume 5, where everyone is going "murmur murmur," there's a panda-headed guy in the background. Who is it? It's bugging me so much I can't brush my teeth.

A: Brush your teeth. The dentist is scary, you know. So you found him, eh? His name is Panda Man, and he's a wrestler. I'll introduce him properly next time.

Chapter 48: GIVE UP ON THE GRAND LINE

BUGGY'S CREW ADVENTURE CHRONICLES,
VOL. 10: "FAREWELL TO A WORTHY FOE"



A UNIQUE PIRATE, THE CAPTAIN-COOK.
"RED-LEG" ZEFF. SO YOU'RE ALIVE.

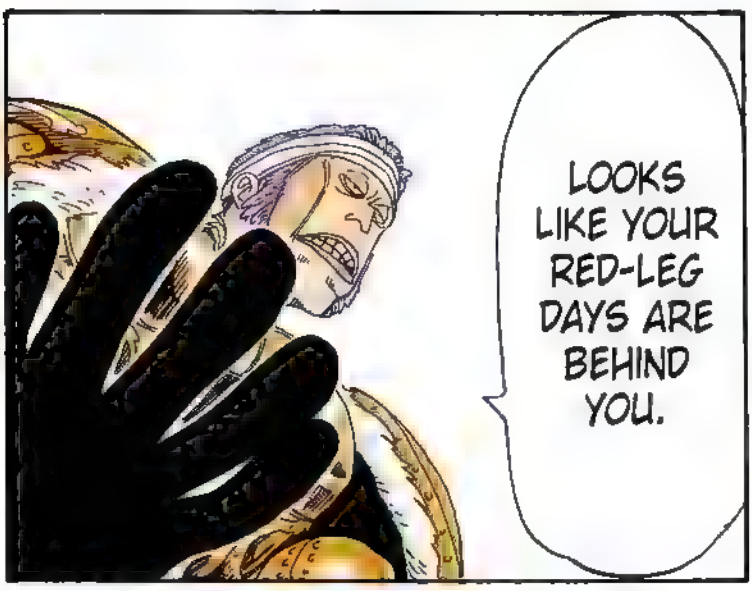
OR WAS BEING A PIRATE TOO MUCH FOR YOU?
BUT DID YOU CHOOSE TO BE A COOK...
HA! YOU SAY IT LIKE IT WAS A CHOICE.



LOOKS LIKE YOUR RED-LEG DAYS ARE BEHIND YOU.

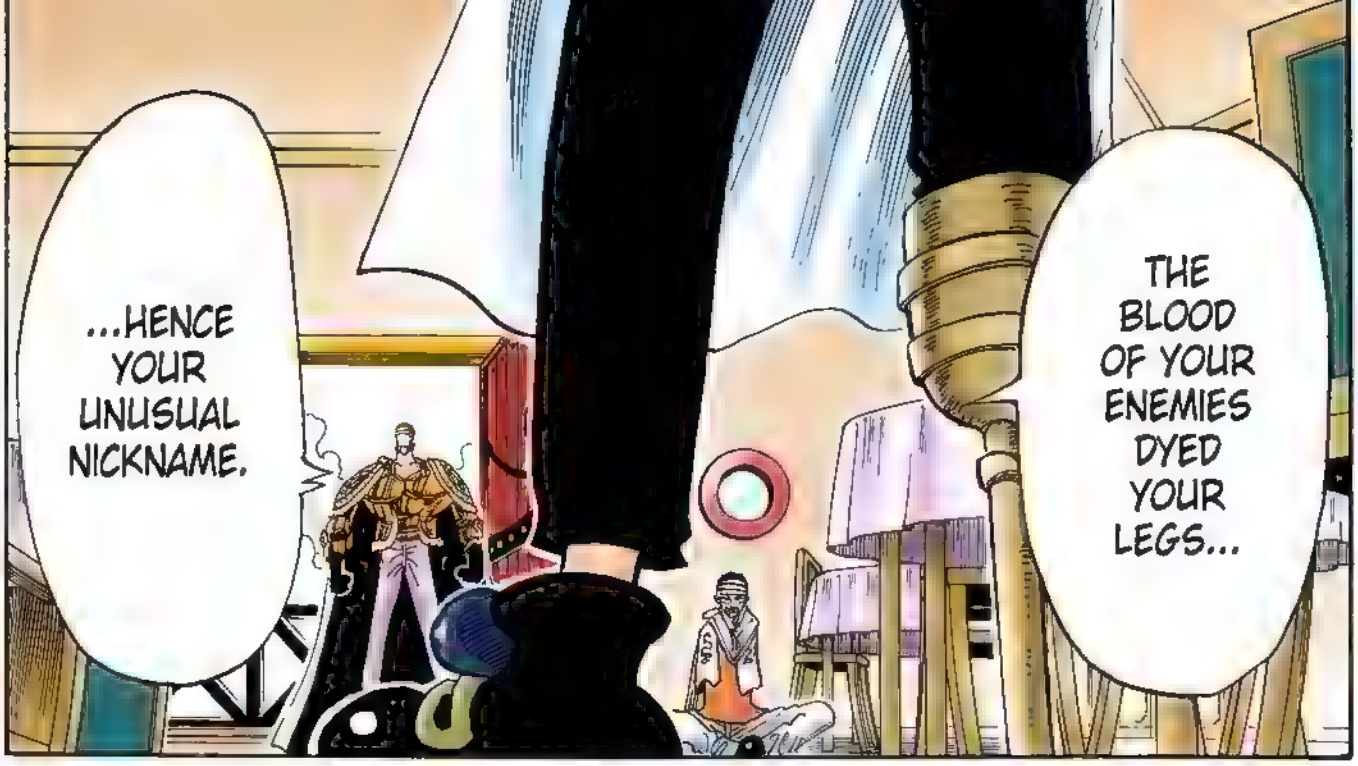
THAT AWESOME LEG STRENGTH COULD SMASH BEDROCK...
...AND EVEN LEAVE FOOTPRINTS IN STEEL.
"RED-LEG" ZEFF...
...MASTER OF THE DEADLY KICK, WHO NEVER USED HIS HANDS IN BATTLE.



...HENCE YOUR UNUSUAL NICKNAME.
THE BLOOD OF YOUR ENEMIES DYED YOUR LEGS...

I SEE YOU DIDN'T LOSE YOUR LIFE...
THEY SAY YOU DIED AT SEA.

WHAT ARE YOU GETTING AT? SPIT IT OUT.
I CAN'T FIGHT ANYMORE, BUT I CAN COOK, LONG AS I HAVE THESE TWO HANDS.

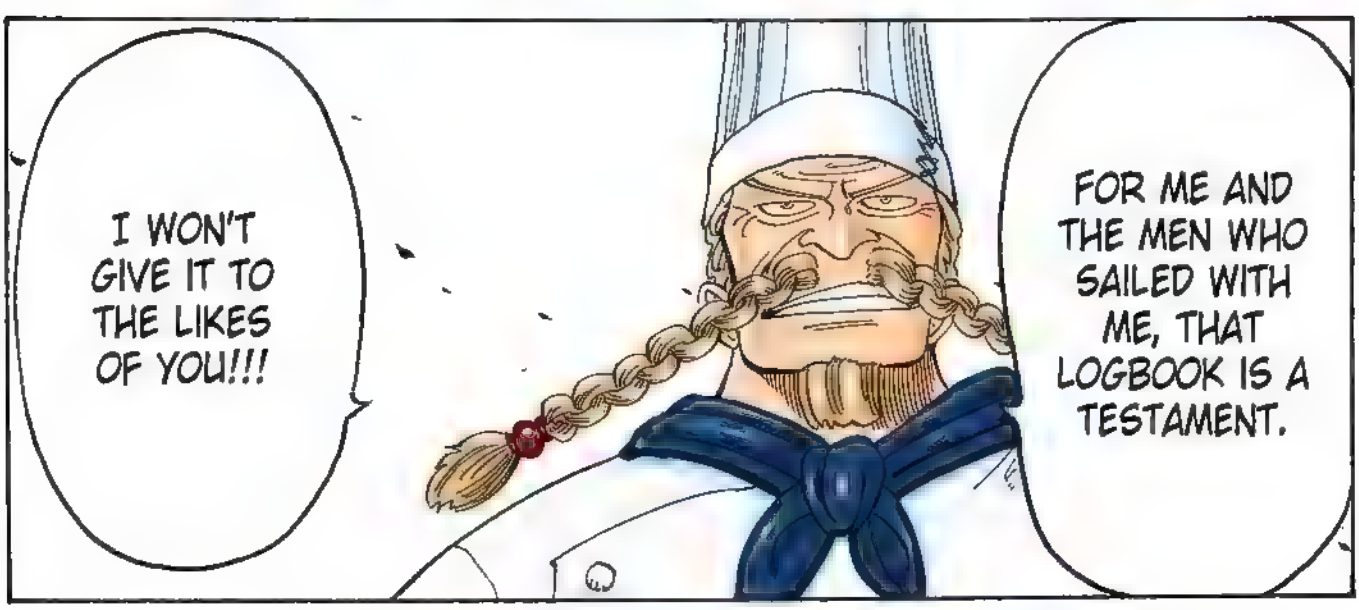
AYE.
YOU'VE BEEN TO THE GRAND LINE TOO, OLD MAN?



I WON'T GIVE IT TO THE LIKES OF YOU!!!
FOR ME AND THE MEN WHO SAILED WITH ME, THAT LOGBOOK IS A TESTAMENT.

A: Okay, you eat it first.

Q: I think all of Oda Sensei's drawings of Buggy show him with his mouth open. I'd like to see one with his lips closed.

Q: When you were asked about Nami's measurements, you said you'd reveal them. When are you going to keep your promise!?

A: Heh Heh. I recruited a specialist to help me. His keen eye is infallible. Able to guess a girl's dimensions with just one look, he's the shady cook Sanji!!

Sanji: **HEY, SHITHEAD!!** I'm not a "shady" cook, I'm a "ladies" cook!! But you did right to call me. Leave this to me. Nami is lovely, isn't she? Great sense of style, too. Looks like... 34-22-34! Yes, definitely!! Oh, she's so cute. I hear she's a thief, but I like her...

A: There, I kept my promise. Thanks, Sanji. (krak) Owwww!

Q: Did women pirates really exist?

A: Yes. But there were times when it was considered unlucky to have a woman aboard a ship, so some dressed as men to become pirates. Two female pirates were Mary Read and Anne Bonny, who were said to have fought more bravely than men. Captain Alvida was named after the Viking queen Alvida, who formed an all-woman pirate crew.

Q: A little while ago there was a manga called ***Oni ga Kitarite,*** by Shinga-Gin, and some of the panels really look like they were drawn by you. By any chance did you work as an assistant on it?

A: I get questions like this a lot, so I'd like to resolve this once and for all. Hiroyuki Takei, Shinga-Gin, Mikio Ito and I were all assistants together on ***Rurouni Kenshin***. So yes, I have helped out on brother Shinga-Gin's manga. And while I'm at it, Shinya Suzuki, who recently debuted in **Jump** (the Japanese magazine), is also from the old "Ruro" gang, and he's hepled on ***One Piece*** a number of times. That's how we all know each other. Okay?

Q: The other day I tried to get my hair cut like Zoro's, but the barber just shaved it off. What should I say to get my hair cut like Zoro's?

A: Say, "Please give me a Strong Manly Spirit Cut."

Q: In chapter 37, was the sailor who captured the fake "Kuro of a Hundred Plans" Captain Axe-Hand Morgan? My friend and I think it looks like him.

A: It is Morgan. He was a Chief Petty Officer back then, but after the incident he was promoted to Lieutenant Commander. Then he muscled his way up to Captain and was given command of a Marine base. I suspect that when Kuro looked deep into Morgan's eyes, he probably sensed a kindred spirit of some kind.

I WAS GOING TO SCUTTLE THAT BATTERED HULK ANYWAY...

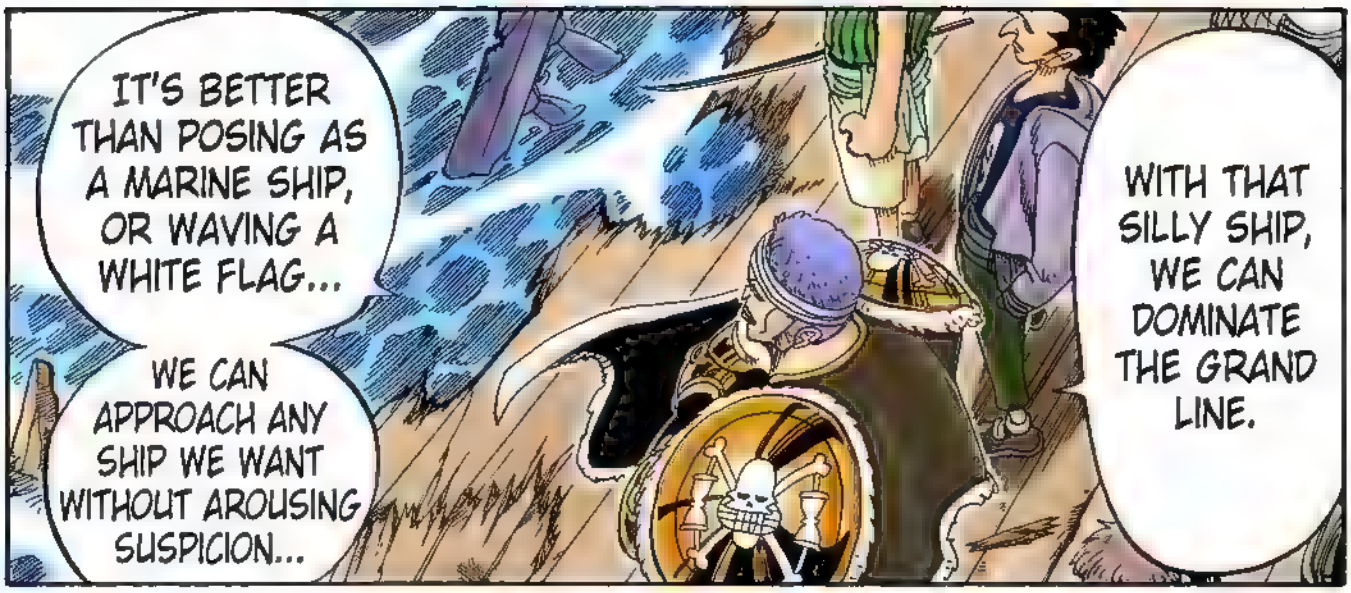
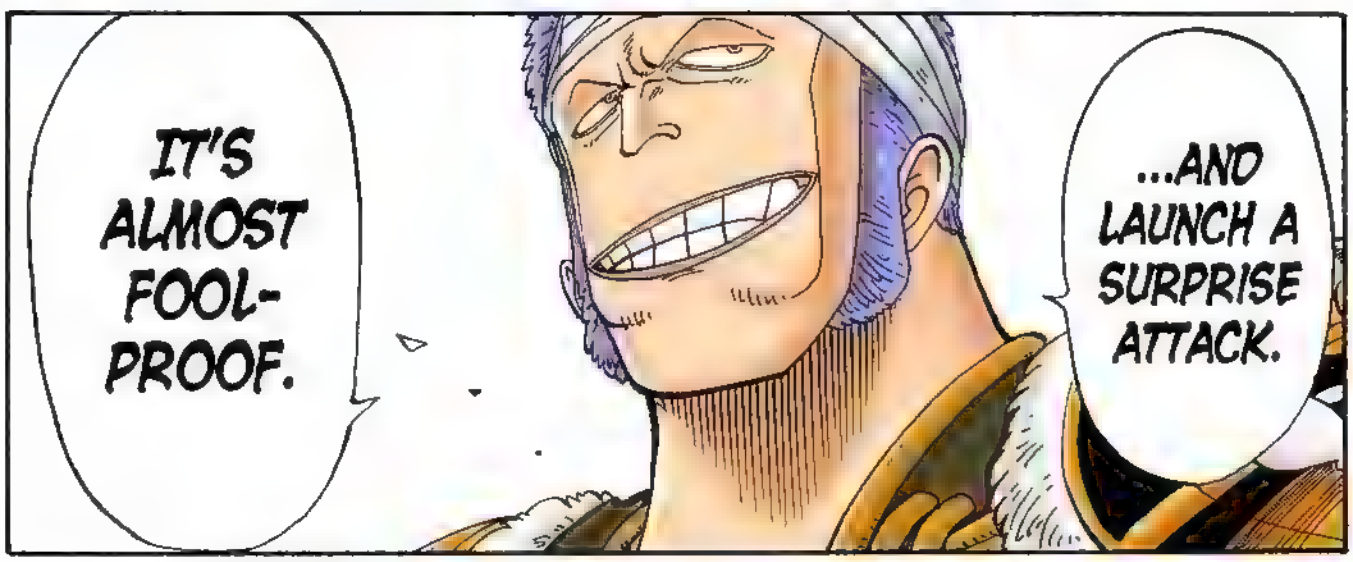
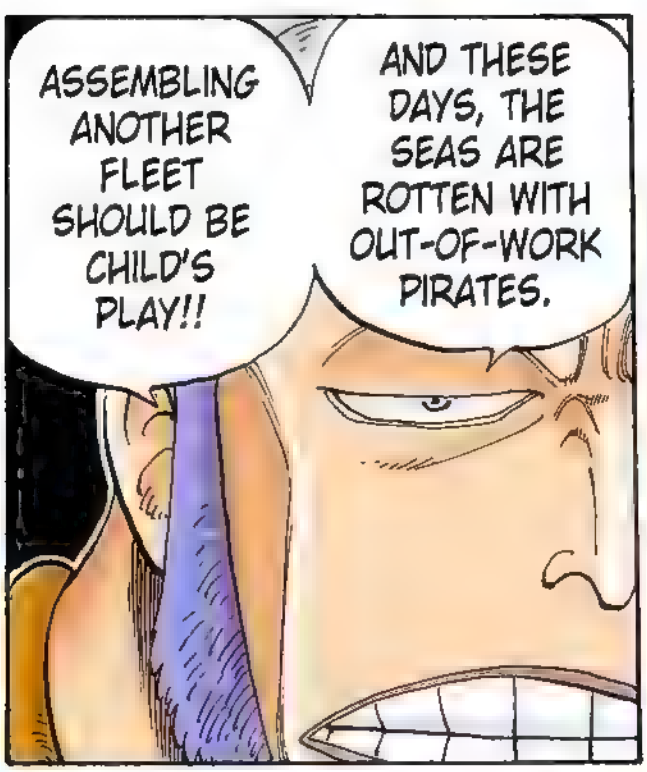
TAKE A GOOD LOOK AT THAT SHIP'S DECO-RATIONS...



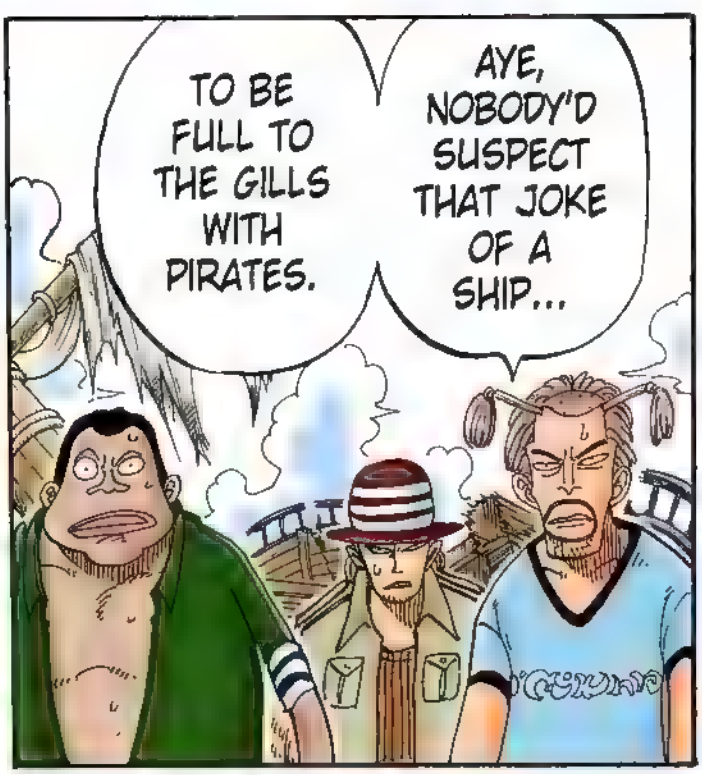
IT'S BETTER THAN POSING AS A MARINE SHIP, OR WAVING A WHITE FLAG...
WE CAN APPROACH ANY SHIP WE WANT WITHOUT AROUSING SUSPICION...
WITH THAT SILLY SHIP, WE CAN DOMINATE THE GRAND LINE.



IT'S ALMOST FOOL-PROOF.
...AND LAUNCH A SURPRISE ATTACK.



ASSEMBLING ANOTHER FLEET SHOULD BE CHILD'S PLAY!!
AND THESE DAYS, THE SEAS ARE ROTTEN WITH OUT-OF-WORK PIRATES.



TO BE FULL TO THE GILLS WITH PIRATES.
AYE, NOBODY'D SUSPECT THAT JOKE OF A SHIP...

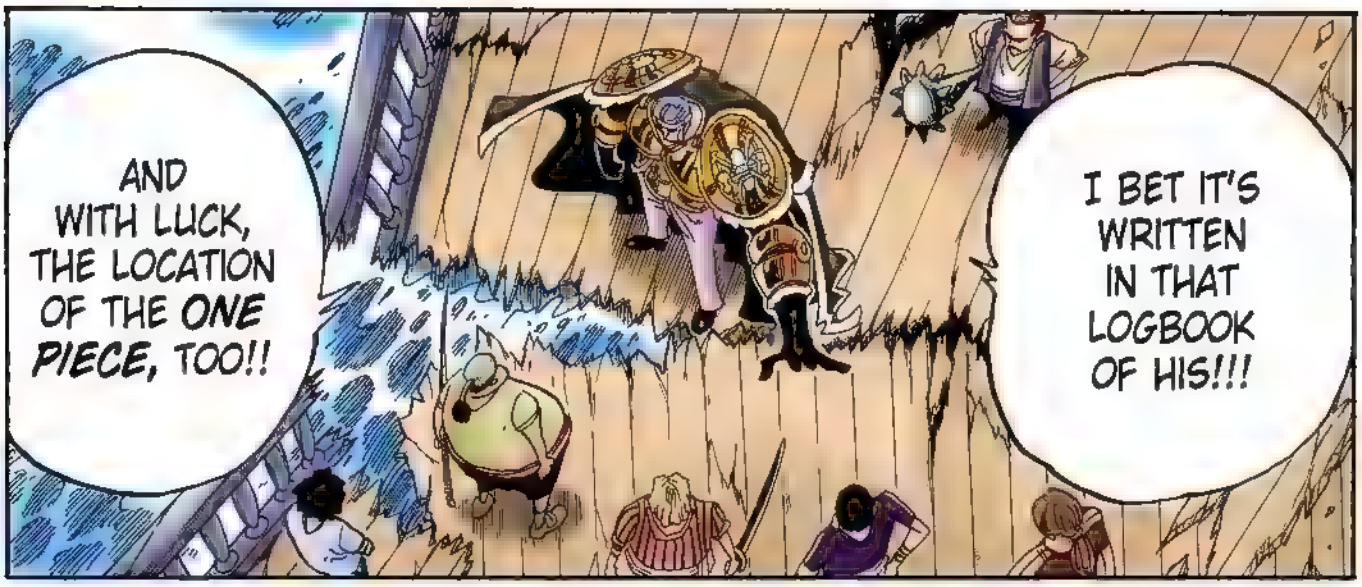
ON THE GRAND LINE, THAT STRAW HAT BRAT WILL BE JUST ANOTHER PIRATE...
WHEN HE BROKE MY SHIP, HE PROBABLY USED SOME DEVIL FRUIT POWER!!!
HE MUST KNOW SOME SECRET FOR SAILING AMONG THOSE FREAKS!!
BUT "RED-LEG" ZEFF...
HE SAILED THE GRAND LINE FOR A WHOLE YEAR.



AND WITH LUCK, THE LOCATION OF THE ONE PIECE, TOO!!
I BET IT'S WRITTEN IN THAT LOGBOOK OF HIS!!!

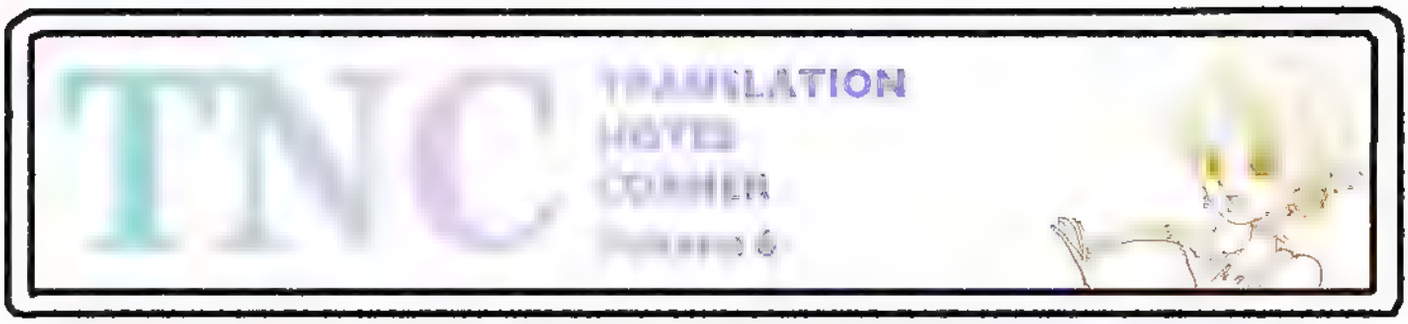
- MIHAWK CALLS ZORO A "***FROG IN THE WELL***". THIS REFERS TO AN ANCIENT CHINESE PROVERB THAT GOES "THE FROG IN THE WELL KNOWS NOT OF THE VASTNESS OF THE SEA", REFERRING TO THOSE WHO THINK HIGHLY OF THEMSELVES SIMPLY BECAUSE THEY HAVEN'T BEEN EXPOSED TO THE TALENT OF THE WORLD

- MIHAWK'S BLADE IS KNOWN AS THE "***YORU***", WHICH SIMPLY TRANSLATES TO THE "NIGHT". IT IS ONE OF FEW RARE SWORDS CLASSIFIED AS A BLACK BLADE (KOKUTO). ITS UNIQUENESS WILL BE EXPLAINED LATER DOWN THE LINE



- LET'S CONTINUE OUR BREAKDOWN OF PRONOUNS AND SPEECH PATTERNS FOR THE NEWLY INTRODUCED CHARACTERS!

SPEAKER:	FIRST PERSON PRONOUN:	SPEECH PATTERN:
SANJI	USES THE INFORMAL MASCULINE ORE (おれ). REFERS TO NAMI AS MISS NAMI (NAMI-SAN)	SPEAKS INFORMALLY AND INCREDIBLY RUDELY, USING MANY INSULTS, BUT SPEAKS NICELY WITH WOMEN
ZEFF	USES THE INFORMAL MASCULINE ORE (おれ)	SPEAKS IN AN AGGRESSIVE TONE, OFTEN USING INSULTS, WHICH IS WHAT SANJI SEEMS TO HAVE TAKEN AFTER
MIHAWK	USES THE INFORMAL MASCULINE ORE (おれ)	SPEAKS IN A VERY SOPHISTICATED TONE, BEFITTING OF HIS GREAT POSITION
KRIEG	USES THE INFORMAL MASCULINE ORE (おれ)	SPEAKS IN A VERY RUDE HIGH AND MIGHTY TONE, LIKE HE IS BETTER THAN ALL OTHERS
YOSAKU	UNLIKE JOHNNY, WHO USES ORE (おれ), YOSAKU USES WASSHI (わっし), AN OLDER AND MORE INFORMAL WATASHI	BOTH JOHNNY AND YOSAKU SPEAK IN A FAIRLY CASUAL AND FRIENDLY TONE, CALLING EVERYONE "BRO"

SHONEN JUMP MANGA

Story & Art by

Eiichiro Oda

尾田栄一郎

You can't see your own face in profile with one mirror. Is that really true? What if I whip around really quickly like this...wip!! And wip!! If I look toward the mirror like that...! Wouldn't I be able to see an afterimage or something!? Wip!! Wip!! Krak!! ...!!

-Eiichiro Oda, 1998

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

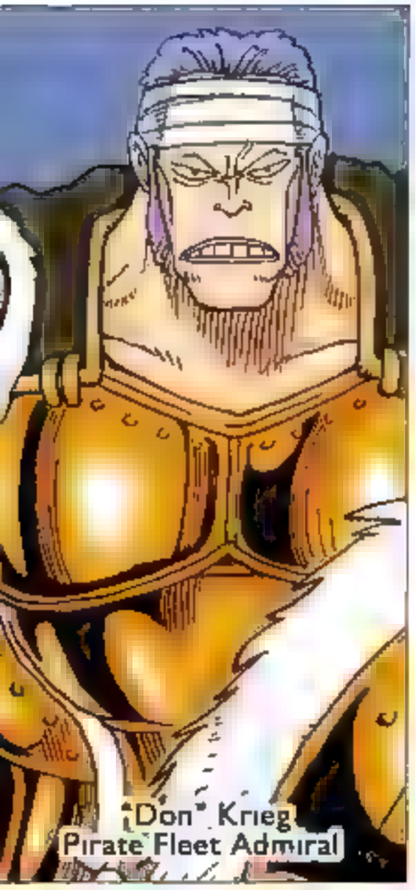
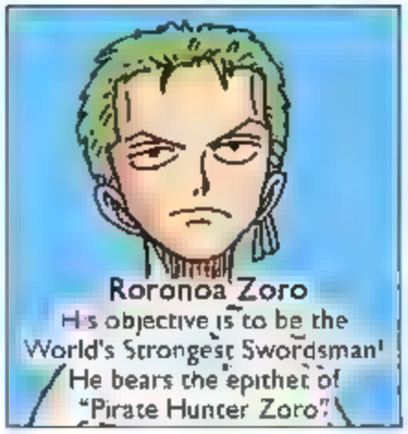
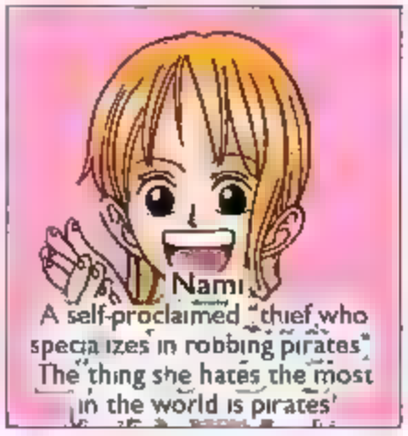
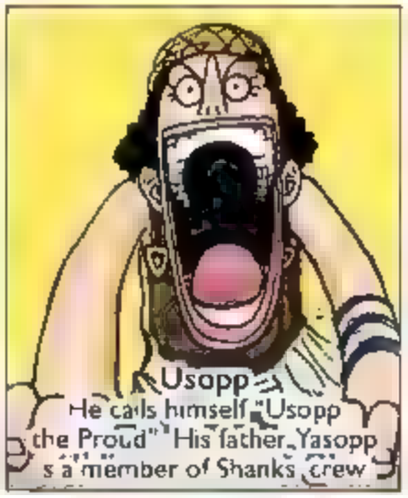
Shitty Old Man

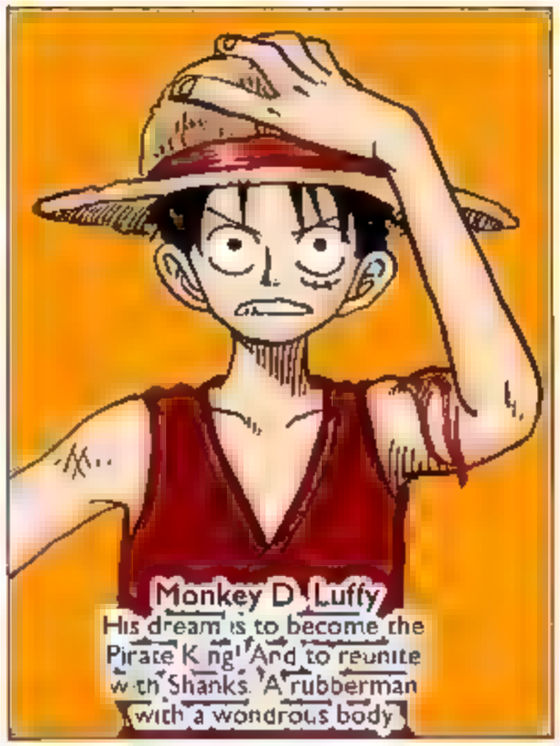
STORY AND ART BY
EIICHIRO ODA

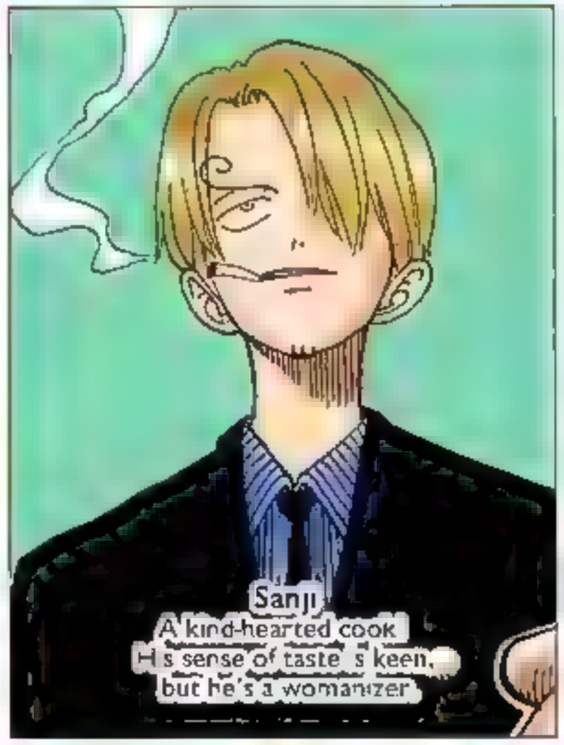


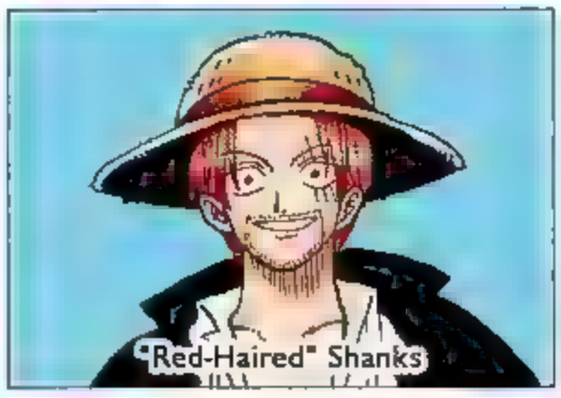












Luffy's crew, now including Zoro, Nami, and Usopp, continue their journey towards the Grand Line. Their next stop is a seafaring restaurant, where they hope to find a cook for their ship. At the restaurant, Luffy meets a kind-hearted chef named Sanji and asks him to join the crew

At that moment, Don Krieg, the leader of a pirate fleet of five thousand men, appears. Sanji's warm and nourishing cooking restores Krieg's wounded body to full health. However, Krieg repays this kindness by trying to seize their ship! The stage is set for a grand battle on the seafaring restaurant.

Just then, with a thunderous rumble, the world's strongest swordsman, "Hawk Eyes" Mihawk, appears. Zoro challenges Mihawk in a bid to claim the title, but is soundly defeated. Zoro vows to Luffy that he will never lose again. Even after Mihawk departs, the intense battle with Krieg's crew continues...

The story of ONE PIECE 1»7

It is currently the Great Pirate Era. Countless pirates have raised their flags and gone to battle to find the hidden treasure left behind by the legendary Pirate King, Gold Roger; the treasure said to "connect all as one", the One Piece. Among those who admire pirates like Roger is a young boy named Luffy. He also admires Shanks, the leader of a pirate crew who was staying in his village. One day, he accidentally ate their spoil of battle, a "Devil Fruit". The fruit's special powers robbed Luffy of his ability to ever swim again, but also peculiarly turned his whole body into stretchy rubber! Soon afterward, however, he angered some bandits who had confronted Shanks and was tossed into the sea. As he was drowning, Luffy was set upon by a sea monster, but in an instant, Shanks was there to rescue him!—at the cost of his left arm.

10 years later, using Shanks's straw hat as his trademark, Luffy set out to sea. His great journey to become the Pirate King had begun.

Q: (Question) Master Ei, what time is it now?

A: (Oda's answer) Um, nine past...midnight! It's time for Question Corner!!

Q: Does Shanks like me?

A: I don't know.

Q: Oda Sensei! The other day a friend said, "I've got the perfect Devil Fruit for you" and he gave me some strange-looking fruit and I ate it. It might be my imagination, but ever since then, I feel like all the jokes I tell are flops.

A: Oh... You ate that one, eh? Yes, I know that one. It's definitely the Corny Corny Fruit. When you eat that fruit, only really incredibly corny jokes come out of your mouth. And you can't swim, of course. It's kind of like being stepped on... and then kicked. Ha ha ha ha! Laugh. Go on, laugh! Ha ha ha ha.

Q: In volume 1, when the mountain bandits enter the tavern, they break down the door, so why is it fixed when they leave?

A: That's Mr. Minatomo, the carpenter's doing. He's very impatient, so if he sees something like a broken door, he has to fix it right away. It was certainly not a mistake on my part.

GIN!!

Q: Why do Sanji's eyebrows circle up at the ends? Is it a fashion statement? If you ask me, it's lame!!

A: Hey!! Sit down, now!! Listen!! All people owe their lives to circling!! The Sun and the Moon and the Earth all go around in circles. What if the circling of the Earth suddenly stopped!! The whole world would be deluged by gigantic waves and there would be a terrible disaster!! So remember that Sanji's eyebrows have that kind of energy!! Repent!! Dismissed!!

Q: A question. How old is Sanji?

A: 19 years old--just like Zoro.

Q: Nami, Nami, Nami, Nami! I love Nami!
I won't give Nami up to the likes of Sanji!! Therefore, I challenge him to a duel for Nami. Tomorrow afternoon at 3:00, on the Red Line. Don't you run from me! Is that okay, Oda Sensei?

A: Okay!! Fight!!

Q: How many assistants do you have? What kind of things do they do?

A: I have four. They help with the backgrounds and stuff like that. They come to help for two nights and three days each week, sleeping over. Frankly, without these people it would be impossible to complete a script in a week. But it's a really goofy workplace, so we have a lot of fun working on the manga.

Chapter 56:

Q: Question. How fast can Captain Kuro run 100 meters?

A: To be honest, it's difficult to measure his speed accurately, but it would be less than, say, five seconds. Think in the four second range. Wow! A world record.

Q: Do Patty and Carne's names come from "*spa*ghe*tti*" and "*cal*zone"?

A: Hmm! They come from cooking-related words to be sure, but not those. Patty comes from pâtissier, a pastry chef in charge of desserts. Carne comes directly from the Spanish word for meat dishes.

Q: If Luffy is 7,200 Funky Gum-Gums, then is Sanji about 8,500 Funky Ero-Ero?

A: No, not quite. More like 930 märchen Ero-Ero.

Q: Can't the *One Piece* graphic novel be a little cheaper? (About 100 yen...)

A: Right now it's 410 yen per volume, right? And Jump is 220 yen... When I was in elementary school, graphic novels cost 360 yen per volume and Jump cost 170 yen. But the price of all goods has risen, so it can't be helped. Everyone is in the same boat. 100 yen just isn't possible.

Q: Sensei! When you are drawing *One Piece* characters and Luffy is mad, does your face look mad or tense too? Tell me!! Mine does.

A: It does, yes. I make lots of faces when I draw. When I drew the double-page spread of the breakup of Usopp's pirate crew, my face got very tired. I was making a crying face the whole time I drew it, and my face started to cramp.

Q: Zeff of the the seafaring restaurant has three strands of hair coming out of his nose. Is it nose hair? A moustache? Fake hair? What is it?

A: They're "phony tails." The scientific name is "phonus bolognus tails."

Q: Oda Sensei, I'm Akinori! I thought of an amazing move! 1. Luffy stretches his arm. 2. Zoro cuts that arm off. 3. The arm goes flying. (Note: this technique can only be used twice!)

A: Hey hey hey...

Q: Dear Odacchi ♡, I'm your fiancée. When are we going to get married? How about 11/1? We're going to kiss at the wedding, right!? Oooh, how exciting! ♡ Smack! ♡ Actually, I'm Namie Amuro's younger sister. ♡

A: Okay. I'll visit you in the hospital.

Q: This is to the guy who said that Zoro's sash made him look like an old man in the Question Corner in volume 4!! It's your problem, man!! At first, I also thought, "a cool guy like Zoro, in a sash?" but if that's part of Zoro, I accept it! Yes, I accept it!! So you should, too! Okay, let's be friends!

A: Wow! Friendship blossoming between my readers! Wonderful.

Q: Buggy's top half can fly, right? (Or float, anyway.) Then it should be able to fly to the Grand Line. So why doesn't he?

A: He can't go that far. The powers of the Chop-Chop Fruit have limits. His body parts can only scatter up to a diameter of 200 Chop-Chops. Once this limit is exceeded, control is no longer possible.

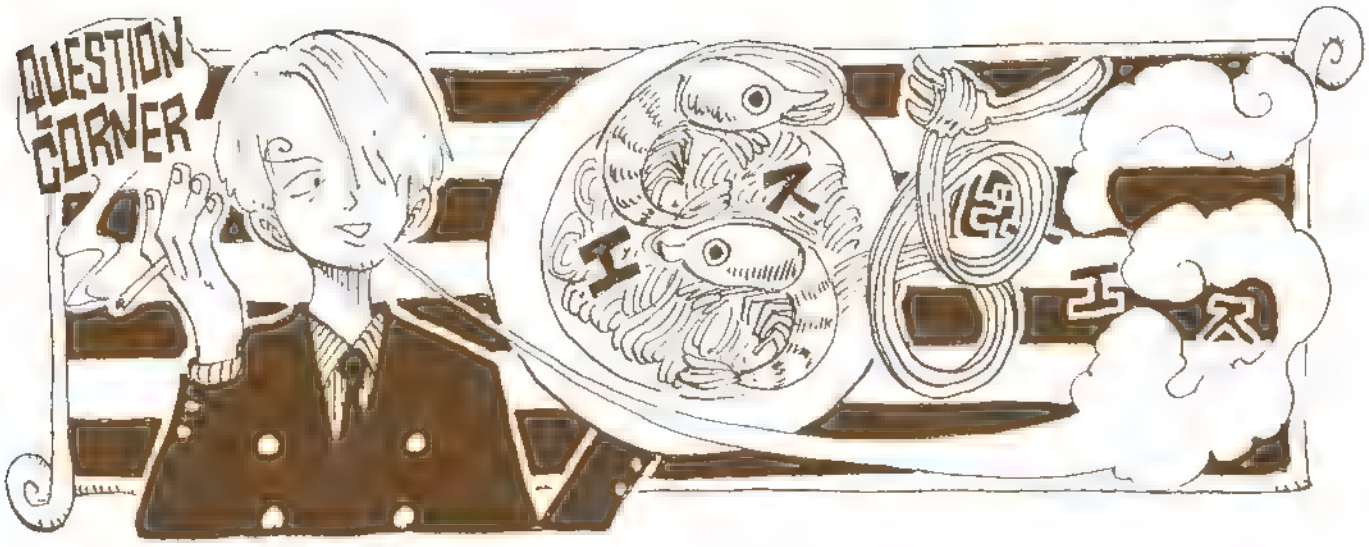
...PIRATE FLEET "BATTLE COMMANDER"?
HAVE YOU LOST YOUR MIND, GIN...?



Q: Did you know that Koby's father is the world champion of jumping rope?

A: Really? I didn't know that. Koby's dad is very impressive...

Q: Is it true that Klahadore has a pet mammoth?

A: Really? I didn't know that either. Was there one at the mansion?

Q: What are your selection criteria for Usopp's Pirate Gallery?

A: Naturally, I consider skill, how interesting it is, style...But the most important thing is the spirit you convey in the postcard. Yeah.

Q: The other day while I was working at the fruit stand, this smart-aleck kid said, "You don't have Gum-Gum Fruit? What a dork." If a kid like that comes again, what should I say? Please tell me. (I'm serious.)

A: In a case like that, each character would probably respond as follows:

Makino: "You're right, I'm sorry we don't stock it." (Be an adult and let it pass.)

Shanks: "Ha ha ha ha ha!! You're ten years too young for a Devil Fruit!!" (Taunt him.)

Luffy: "I'll send you flying, right now." (No mercy.)

Try whichever approach you like--but don't hold me responsible.

Q: Please do a character popularity poll!!

A: Well, I won't be doing it in the comic book, but I did it in *Weekly Shonen Jump* and the results are in, so I'll present them on page 148.

(I think this poll was taken two or three weeks after *Chapter 49: Storm* came out.)

- IN JAPANESE, PEARL SAYS "TATEOTOKO DE, DATEOTOKO DA", MAKING A PLAY ON WORDS WITH BEING A "***SHIELD MAN***" AND A "***SUAVE MAN***". SINCE THE SOUNDS MATCH IN ENGLISH TOO, WE KEPT IT IN A SIMILAR WAY

- THE REAL REASON WHY SANJI CALLS ZEFF "***SHITTY OLD MAN***" OR "OLD SHIT" (KUSO JIJI IN JAPANESE) IS DUE TO THE FACT THAT HE VIEWS HIM AS A FATHER FIGURE, WHICH BECOMES APPARENT WHEN HE BECOMES MORE EMOTIONAL AND JUST CALLS HIM "OLD MAN". THIS IS BECAUSE "JIJI" CAN MEAN EITHER OLD PERSON, OR OLD MAN AS IN A FATHER, CREATING AMBIGUITY AT FIRST BUT BECOMING CLEARER AS YOU READ ON. CLOSEST THING THAT WORKED IN ENGLISH FOR BOTH MEANINGS WAS "SHITTY OLD MAN", AS SOMETHING LIKE "SHITTY POPS" DIDN'T ROLL OFF QUITE AS NICELY

Here's a little story for you. Long, long ago, a really long time ago, rabbits were able to fly. The fact that we count rabbits in Japanese (*ichiwa, niwa*) the same way we count birds is a holdover from that time. Rabbits, flapping their big ears across the vast, clear skies of ancient times...sounds like a horror story.

-Eiichiro Oda, 1999

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

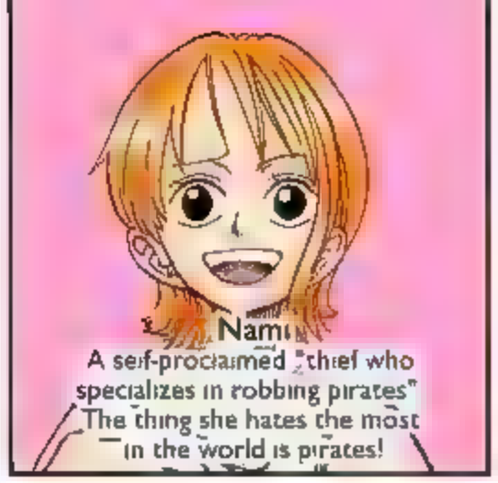
Vol. 8
I Won't Die

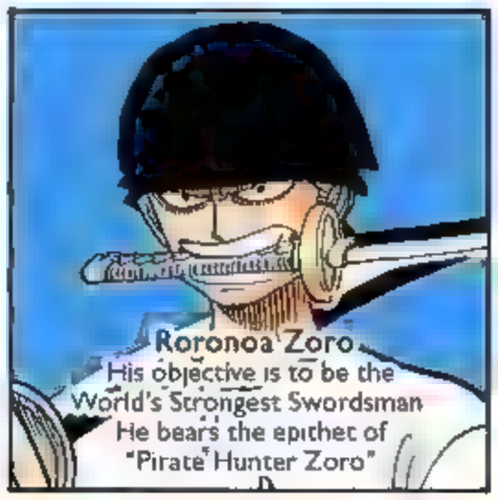
STORY AND ART BY
EIICHIRO ODA

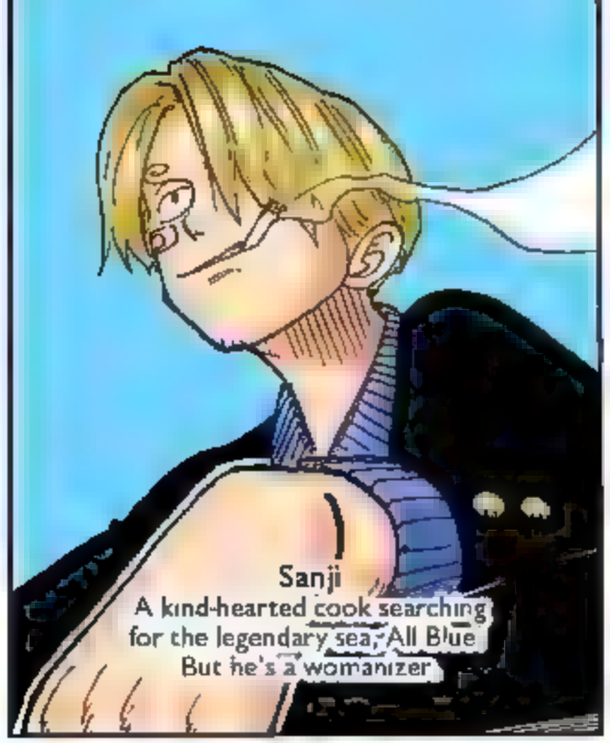
Luffy's crew, now including Zoro, Nami, and Usopp, heads for the Grand Line. In search of a cook, they stop at the seafaring restaurant, Baratie, where the sous chef, Sanji, catches Luffy's attention. Suddenly, the strongest and most evil pirate in the area, Don Krieg, arrives and declares, "I'll be taking this ship!" Thus, a fierce battle ensues at the restaurant. Sanji, using his nimble body as a weapon, fights to protect the ship, but the situation turns dire when Zeff is taken hostage. What drives Sanji to go to such lengths to protect him?

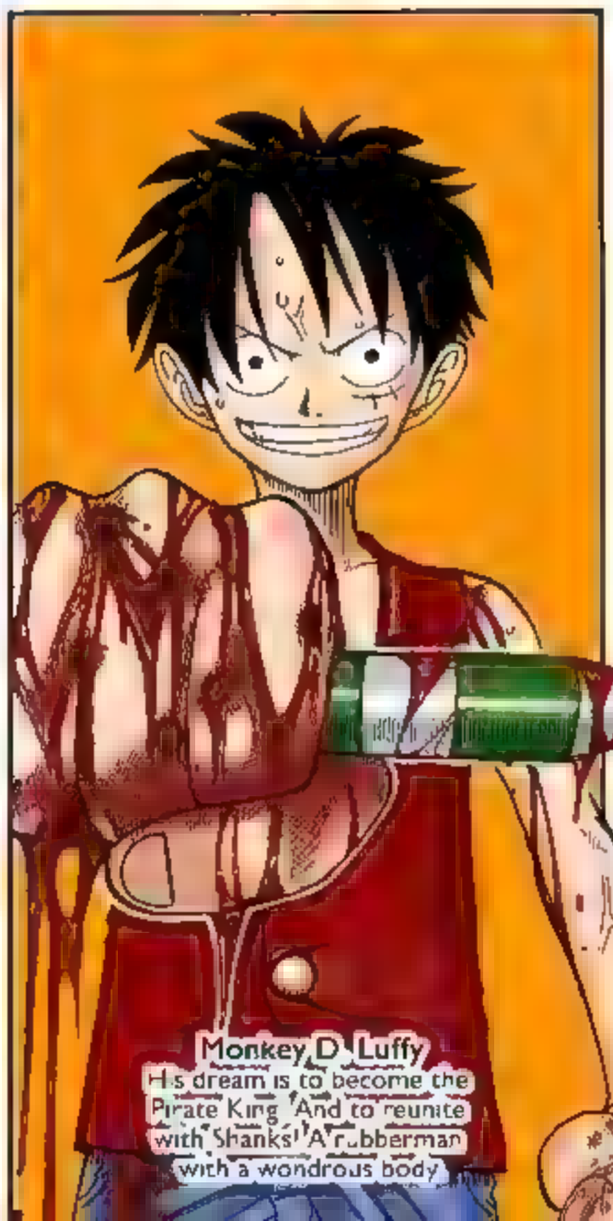
Long ago, when Sanji was still an apprentice cook, he and the pirate Zeff were caught in a sudden storm and shipwrecked on a rocky island. To keep Sanji alive, Zeff gave him the little food they had and even sacrificed his own leg to survive. He went that far because they shared the same dream...

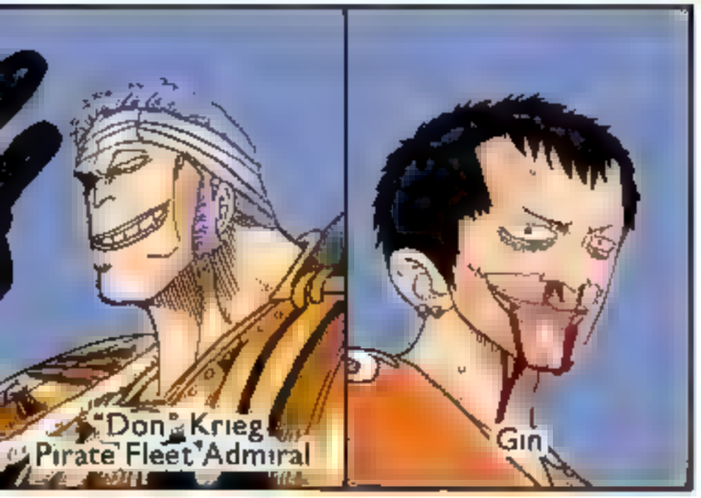
Now, the vicious Krieg turns on his subordinate, Gin, for refusing to kill Sanji and launches the poison gas bomb 'MH5'!!

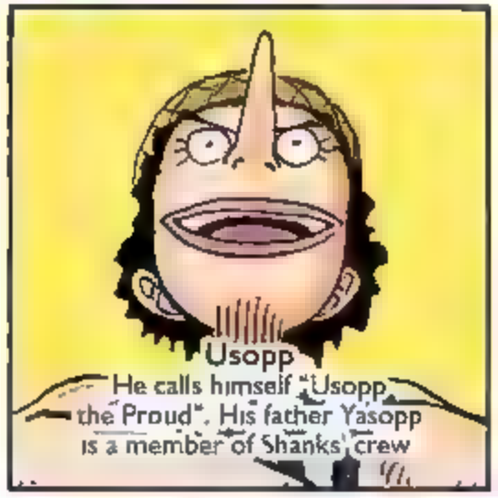


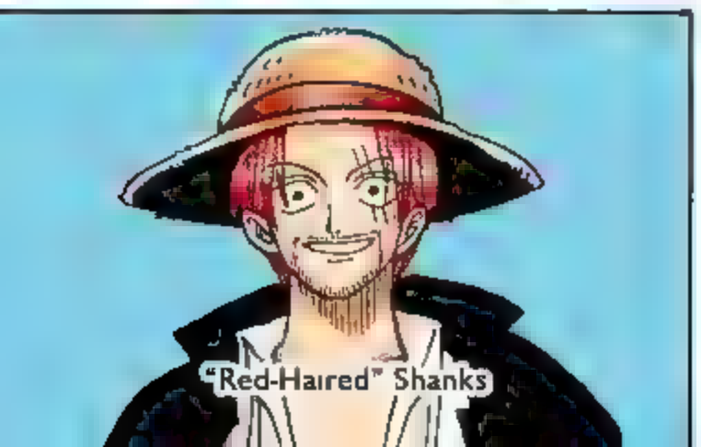












The story of ONE PIECE 1»8

It is currently the Great Pirate Era. Countless pirates have raised their flags and gone to battle to find the hidden treasure left behind by the legendary Pirate King, Gold Roger: the treasure said to "connect all as one", the One Piece. Among those who admire pirates like Roger is a young boy named Luffy. He also admires Shanks, the leader of a pirate crew who was staying in his village One day, he accidentally ate their spoil of battle, a "Devil Fruit". The fruit s special powers robbed Luffy of his ability to ever swim again, but also peculiarly turned his whole body into stretchy rubber! Soon afterward, however, he angered some bandits who had confronted Shanks and was tossed into the sea. As he was drowning, Luffy was set upon by a sea monster, but in an instant, Shanks was there to rescue him!—at the cost of his left arm.

10 years later, using Shanks's straw hat as his trademark, Luffy set out to sea. His great journey to become the Pirate King had begun.

Reader: Greetings. I am the earthalien living in the house where Usopp's father Yasopp's friend's brother's girlfriend used to live.
*Earthalien is someone who is half earthling and half alien.

Oda: Really? Question Corner is starting!! (Doom)

Q: On both sides of the skull on Don Krieg's pirate flag, there are hourglasses symbolizing the threat to his enemies, but were hourglasses ever really used like that?

A: There really were Jolly Roger flags with hourglasses on them. They symbolized the prey's appointment with death, basically: "Your time is running out!"

Q: Oda Sensei, since Luffy is a rubber man, does his d*ck stretch too?

A: Yes, everything stretches.

Q: A question. How many g/cm^3 is Sanji's kick strength? Please calculate to two decimal points and let me know.

A: To be frank, measurement is not possible. You know that game at the arcades where you can measure your kick strength? If, for example, Sanji did that, the whole machine would go flying out of the building. But if I had to put it into units, I'd say 21 bats--the energy required to break 21 wooden bats with one kick.

Q: Hey, Ei-chan!! Have you been working on *One Piece* like you're supposed to? Draw your best!! All right, here's a question for you: which *One Piece* characters have the highest and lowest IQs?!! Okay, that's it for today.

A: I'll tell you, but this only applies to the characters that have appeared so far. The highest IQ belongs to Shanks' first mate, Benn Beckman--his unrivaled intelligence and brawn make him an excellent aid for Shanks. Next highest is probably Captain Kuro, then Nami. As for the characters with the lowest IQs, I can't decide who is number one--there are just too many idiots.

Q: Oda Sensei, is your house really made of cardboard? (My friend said it is.)

A: Yes. Yet through rain and wind and snow I persevere, drawing manga. But it's okay. The ink I use is waterproof!! (Note: Good children should not believe me!)

Q: What is the cape-like thing that Buchi of the Meowban Brothers wears? Is it a futon?

A: It's a **kotatsu-buton*, to be precise. He is a cat, after all. *A kotatsu is a low, heated table that has a skirt-like quilt (futon or buton) that keeps people's legs warm when they sit at it. Cats love to sleep under them on cold days.

Q: Is Luffy's pose on the cover of volume 3 Ken Shimura's* "Aiiin"?

A: Hey, you're right!! It's "Aiiin"!! You nailed it!!

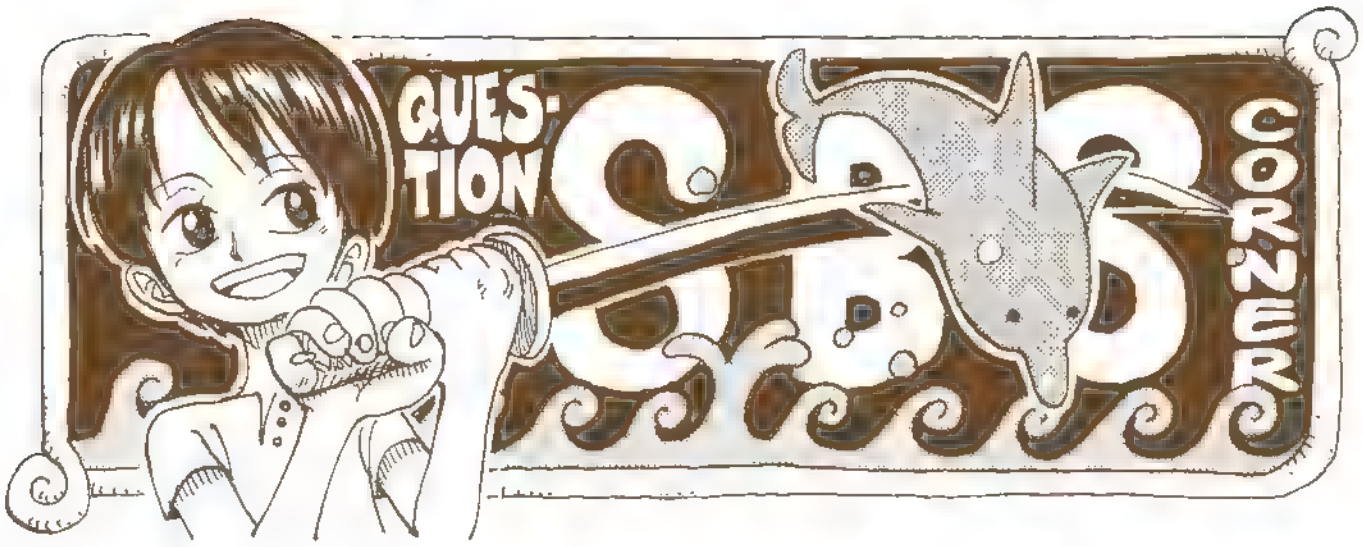
THANK YOU FOR YOUR KINDNESS, SANJI.



Q: Does Sanji like to say shit?

A: He loves to.

Q: I don't understand the marine rank system very well. Is a captain the highest position? Is Koby at Marine Headquarters or at a branch office? How high up is Lt. Fullbody?

A: 《WORLD GOVERNMENT》 MILITARY COMMANDER IN CHIEF (Higher than any Marine rank.)

MARINES

- FLEET ADMIRAL (Head of the Marines)
- ADMIRAL (Governor-General)
- VICE ADMIRAL
  REAR ADMIRAL
  COMMODORE
- CAPTAIN
  COMMANDER
  LIEUTENANT COMMANDER
- LIEUTENANT
  LIEUTENANT JUNIOR GRADE
  ENSIGN

《Commissioned Marine Officers》

- WARRANT OFFICER
- MASTER CHIEF PETTY OFFICER
  CHIEF PETTY OFFICER
  PETTY OFFICER
- SEAMAN FIRST CLASS
  SEAMAN SECOND CLASS
  SEAMAN THIRD CLASS (New Recruit)
- CHOREMAN

Here is the entire hierarchy for the Marine navy in the world of One Piece. The base Koby is in is the 153rd Branch. Officers of Captain rank and above command bases scattered all over the world. I wonder when the day will come when Koby becomes an officer.

***Note:** This hierarchy is mostly based on the ranks of the former Imperial Japanese Navy. Translations are based on official dictionary translations of those ranks.

Q: In volume 5, page 159 panel 3, there's a fat guy. Did he steal some of that girl's food?

A: Very perceptive!! Wow!! That's Mr. Motzel, the gourmand. Yes, he filched some of her food. Afterward, they got into a fight. The girl is Mr. Motzel's daughter.
